## Publisher's Note

We are extremely happy and as a matter of fact there is no limit for our joy and we are ever grateful to Lord Śrī Veṅkaṭeśwara and Goddess Padmāvati, since we are able to place before the devoted readers our 247th Publication relating to Śrī Rukmiṇīśa Vijaya – Part IV, sargas Fifth & Sixth combined.

Our Joint Secretary, Śrī T. S. Rāghavendran, M.A., B.L., Advocate has written this book taking large pains and has devoted almost his life for the propagation of the philosophy of Śrī Madhvāchārya to all the devotees of the world.

We are totally amazed and we consider this as a **wonder in the world when one single author has written so many books on Vedānta which can reach even ordinary people with limited knowledge of Sanskrit and śāstras.**

We quote here an observation from great Mahāmahopādhyāya *Prof. K. T. Pāṇḍurangi* of Bangalore has written while wondering and appreciating and congratulating Śrī T. S. Rāghavendran as below :

**“I am in the academic field for the last 60 years. I have not come across any scholars who has made such a big contribution, either quantitatively or qualitatively”.**

**“Śrīmad Bhāgavata is Simha i.e. Lion and Śrī T.S.R.'s works are Māṇavaka, the boy. I congratulate him for his achievement”.**

*Prof. D. Prahlādāchārya* of Bangalore states :

**“I have no word to express my admiration for the yeoman service being rendered by your kindness to Śrī Madhva Siddhānta, single handedly.**

My only prayer to the Lord is to give you more health and strength so that you can continue to contribute such splendid work on Śrī Madhva Siddhānta for a long time”.

*Prof. T. S. Rama Rao* of Chennai states :

“I find that your book are evidence of your ripe and and intensive scholarship in Madhva Granthas. I am amazed that a very busy lawyer like you could write so extensively and so well on Mādhva granthas. I pray Śrī Hari-Vāyugaḷu to bestow on you with a long and healthy life so that you may serve the Mādhva public with such learned publication in years to come”.

*Śrī V. Vijendra Rao* of Chennai states :

“The entire Mādhva fraternity is profounded your eminence and scholarship. May your good work continue is my prayer to Lord Śrī Hari.

I am very happy that in your unsatiable thirst to pen Śrīmad Āchārya’s works and Hari-Bhakti you have chosen this and each book is a master peace work”.

“Śrī Madhva Ashtottaram is a crowning jewel. The reasons for Advaitins not accepting Pañcharātra have been very strongly brought out by you. I was very much impressed by this.

Such a highly erudition filled work Adhikaraṇas etc. have been made so lucid and simple, to be understood by a common man, by translating in English, shows really your greatness”.

*Śrī Bālāji Rao, Chartered Accountant, Mumbai* states :

“We are indeed very fortunate to have your Association and be blessed with the books written by you.

Each book is like a marvel and undoubtedly a valuable treasure for all seekers of knowledge. The style

in which these books have been written is excellent and even complex topics have been covered in such way that appeals to the layman as well as learned paṇḍits.

Besides the reader derives merit (puṇya) of reading entire sadāgamas irrespective of which book is being read.

Please continue to bless us and guide us so that we are able to appreciate the glories of our Śrīmad Āchārya's granthas".

I am also a Dvaitin and Madhvāchārya who is none other than Śrī Vāyu woke me up from my deep sleep slumber and enlightened me about the glories of Śrīman Nārāyaṇa through an author by the name of T. S. Rāghavendran who has translated all the Sanskrit ślokaś into English.

Please read the book titled "Authentic Elucidation of Gītā" by Śrī T. S. Rāghavendran. It is published by Śrī Madhva Siddhānta Onnāhini Sabhā, Tiruchānūr - 517503 (Near Tirupati).

Hope I have given of some help to you."

*Professor G. V. Nadagouda, M.A., Hubli states :*

"Your indefatigable energy, your unimpeded enthusiasm and scriptural animation are indeed invigourating - your devotional fervour and philosophic acumen are really inspiring. Your spate of looks on scriptures, in your busy professional schedule, covering the entire range of śāstras, deserves attention of the Pandits and the religious folk.

You are ambi-dexterous : soked in Sanskrit classics and Sanskrit parlance, you can wield the English langu-

age, as well, with confidence. The successful execution of the phillanthropic works you have undertaken so far, reveal your religious rigour.

I pray the Almighty to bestow on you a long lease of life, robust health and enough prosperity to terminate all your tasks on hand, and the envisioned ones too, in good time”.

*Śrī Banaaji Śrīnivāsa Mūrty of Bangalore, a senior and sincere devotee of Śrī Hari-Vāyugalu, observes about Śrī T.S.R. as under :*

- “You are above many many in — Age
- “You are above many many in — Bondage
- “You are above many many in — Cleverness
- [Propagation of Tatvas]
- “You are above many many in — Devotion
- [to Śrī Hari-Vāyugalu]
- “You are above many many in — Entertainment
- [that is, in making right ways of  
living to please Śrī Hari-Vāyugalu]
- “You are above many many in — Fatherly
- [to those who seek truth]
- “You are above many many in — Generosity
- [in teaching not only lōukika  
but also Pāramārthika]
- “You are above many many in — Honourable
- [doing most God pleasing acts  
as honorary servant of Him]
- “You are above many many in — Innovation
- [of all kinds - both Śrī Vyāsa  
and Śrī Dāsa sahityas]

“You are above many many in — Jñānam  
[still doing Śravaṇa, Manana, and Swādhyaṃ to  
know more and more about Śrī Hari-Vāyugalu] ....

“You are above many many in — Zeal.

Dr. S. S. Badrinath, (Padmabhūṣaṇa etc.), President & Chairman,  
Medical Research Foundation, Chennai 600006, states :

“I am delighted to learn of the book release on 5-12-04  
at Coimbatore. It is heartening to note that the one being  
published today is 102nd in the series by you. I am proud  
of you and thanking you for the yeoman service you are  
rendering to our religion.

M. B. Pranesh, IAS (Retd.), Former Principal Secretary, Govt. of  
Tamilnadu states :

“Lakshmi (she is also an I.A.S. Officer Retd.) and  
I are very happy to receive the books sent by you about the  
Mahimās of the Cow and Ganges. Thank you very much.

You are doing yeoman service by making so many  
Sanskrit works accessible to persons who do not know that  
language but are educated in English. The number of works  
has already crossed 165.

We wish and pray that goddess Saraswat should keep  
your pen flowing and make you deliver more and more  
books to the devout Bhaktas”.

“Just as Bhagīratha brought Gaṅgā from heaven  
and made it possible for all to bathe in the Gaṅgā, you  
have brought our noble books from the realm of Sanskrit  
scholars and made them accessible to those of us, who  
have received University Education in English.

Because of your efforts, some of us have been able to  
sample the wonderful treasury of Jñāna and Bhakti built up  
by our Āchāryas in the past.

Scoring a century is a great feat even for good cricketer. Writing a hundred pages is a Herculean task for most of us. You are set to complete a century of books and more, which is like completing a century of centuries. You have indeed received divine blessings, which alone can make such feat possible. My deep regards to your profound scholarship, assiduous industry and prolific expression”.

*R. B. Kanchi, M.A., M.Ed., Navanagar, Bagalkote, states :*

“Your uncommon innate ability with active aptitude based on resourceful nature is highly appreciated by the renowned persons of philosophical outlook.

The research mentality and rest-less involvement in finding out the unknown contents of scriptures through constant study are the main causes of such valuable and intellectual work.

The book nearing 170 written by you since last two decades or so, are useful for ready reference not only for Mādhvas but also for the general public of philosophical thirst. This real gain is due to special anugraha of your Vidyā-Guru, Pūjya Śrī Subbāchār, स्वरूपोद्धारकगुरुवः and your Kulapati Ānandamaya Lord of Tirupati Śrī Veṅkaṭeśwara”.

*Ravi K. Mahuli, General Manager (Dredger), Mazagon Dock Limited, Mumbai - 400 010 states :*

“Your books are really a treasure. I don't want to say any word about it, as my words will not be able to describe the pleasure of reading. In Madhva Vijaya it is said - How does Paramātmā's leg look like - They similar to other leg. Similarly your writing at one place is similar to your writing at other place. Other books - Dwaita Siddhanta books - are a treasure”.

We are happy to inform that the books of Śrī T. S. Rāghavendran are included under faculty - Washington - edu (in Google) – Title : Texts whose authors can be dated.

**Authors listed chronologically – 15th Century to the present 1085.3.2. T. S. Raghavendran.**

**“Greatness and Uniqueness of Sri Sattatwaratnamala” Dhp 21.1-2 1991, 16-19.**

The learned author has taken very large and huge considerable pains for writing this book and if a devotee reads carefully this book his bhakti towards Śrī Hari-Vāyugaḷu will increase to a very large extent and this is the only and proper way to attain Moksha.

Śrī T. S. Rāghavendran, popularly known as T.S.R. who is also my Vidyā-Guru, is a highly devoted humble and sincere scholar. He has been well traditionally and systematically trained by his father and Vidyā-Guru Tāmraparṇi Śrī D. V. Subbāchār, a star in the sky of Dwaita Vedānta, for a number of years. His Guru felt extremely happy at the humble achievements and growth of his son-śiṣya and blessed and ordered him to workout plans and schemes, so that the works of Śrīmad Āchārya and his followers can be carried to the ordinary devoted public who may not be able to read the original works due to multivarious handicaps. Following the mandate of his father sincerely and in an humble way, Śrī T. S. Rāghavendran, working round the clock, to fulfill the promise made to his father and Vidyā-Guru. This humble Śrī T.S.R. is achieving the results by Śrī Hari-Vāyugaḷu’s grace step by step.

Śrī T.S.R. has to be thanked by one and all through out the world for his very sincere and highly dedicated devoted service to the world of Vedānta and Dwaita religion in particular.

The most noteworthy point is, that, he never aspires anything even in mind in return of worldly gain at all. All that he humbly wishes that the devoted readers should amass virtues and should obtain the grace of Śrī Hari-Vāyugalu and thereby he obtains a share in it, and he feels highly satisfied and feels immensely joyful and thanking Hari-Vāyugalu for having chosen him for this great noble task. S. M. S. O. Sabhā and the entire world of Vedānta, should always be indebted to him for such selfless great services rendered.

Incidentally Śrī. T. S. Rāghavendran, has written and published 178 works which are very useful for all, which are listed below. They are most useful and essential now and are connected to topics of large interest to the devoted truth-seekers. This is the only way to march towards spiritual path to Moksha and these works are hailed throughout the world. **These works are the need of the hour for devotees.**

**Introduction in brief by the  
humble AUTHOR**

By the Extraordinary Grace of Śrī Hari-Vāyugalu and by the grace of my Guru, Tapasvi and Vairāgya Mūrty and Great Jñānī and Head of Śrī Uttarādi Muṭṭ, Śrī Śrī 1008 Śrī Satyātma Tīrtha Śrīpādaṅgaḷavaru and by the special blessings of my father, mentor, Guru, Tāmrapaṇi, Śrī D. V. Subbāchār, B.A. F.C.A., Chartered Accountant, Coimbatore, this very humble author was able to submit so far 178 books before the truth-seekers of the world as listed in the Publisher's note.

The present 179th publication relates to Śrī Rukmiṇīśa Vijayaof Great Śrī Vādirāja Mahāprabhu – Sargas Fifth & Sixth combined. (Śloka 59 and 67 respectively).

The book is submitted at the lotus Pādas of Śrī Śrī Śrīnivāsa Perumal of Kozhikutti.

**Śrī Śrī Vānamutti Perumal -  
Śrī Śrī Śrīnivāsa Perumal  
at Kozhikutti, Myladuthurai**

This village Kozhikutti is just 5 Kms from Myladuthurai on Kumbhakonam Road. The proper name is "Kodihatti Papa Vimochana Puram"

Great sage Pippala Maharṣi was once affected by disease and Bhagawān Śrī Śrīnivāsa appeared in his dream. It was pointed out that in earlier birth, he was a King and committed the sin of murder and so now he is affected with disease. To exonerate from

the sin, the sage was asked to take pādayātrā towards Kāverī bank and at Mavanoor Śrī Mārga Sahāya Īśwara will direct him further. Then he would be cured of the disease and would get a splendid golden like body.

Accordingly the sage commenced the yātrā and Īśwara showed the way towards North. There the sage took bath and proceeded towards this Kozhikutti. There he had darśan of Lord Śrīman Nārāyaṇa under a big pig tree. Sage Pippala was delighted and extolled the Lord in many ways. Then he was cured and had a fine body. Since indication (Kodi) was shown and since the sin of killing were exonerated, that place came to known as “Kodihatti Papa Vimochana Puram”, which later came to be known as Kozhikutti in brief

On the banks of Kāverī - the Mantapam where Pippala did penance can be seen. Hence this Kāverī Tīrtha is called as “Pippala Maharṣi Tīrtha”.

On hearing the glories of this place, Chola King who killed many in the war, did holy bath in the Pippala Tīrtha. Bhagavān also showed Viśwa Rūpa to the King under the same tree. Then the King established at a height of 14 feet with four arms, with Conch, Cakra, Gadā and Abhaya hasta, the vigraha of Śrī Śrīnivāsa Bhagawān. In the right chest of the Lord, Goddess Mahālakṣmī can be seen. There is a temple of Śrī Yoga Narasimha and Śrī Āṇjaneya there. There is also a sacred Tank called “Viśwarūpa Puṣkarinī” where Bhagawān showed and did anugraha to Pippala Muni. This temple of sacred nature was built before about 1200 years ago.

Those who are affected by the troubles of Śani, worship this great God Śrī Śrīnivāsa, are totally freed from all troubles.

Sage Mahān Pippala did this stotra for extolling and pleasing Śanaīśwara.

Respected Sir,

I am in receipt of your latest five books 174 to 178 of Sri TSR. Your tireless efforts in writing, teaching and paying frequent visits to Swāmijis are much more appreciable and unparalleled. I really wonder about the contents in each book, that is, interesting important passages, quotations from so many books especially Gopichandana Mahima, Urdhwa Pundra Dharana Vidhi etc. in Vadiraja Kavacham and many before one. I pray God Narayana shall shower on you with long healthy life.

My prayer, as a disciple, to you is “Keep writting and enlighten the mass”.

Thanking you,

With Namaskarams

Dear Guruji,

I got your latter dated 12-12-2009 with zerox cutting of the HINDU, stating the personality of the week. I have no yogyata even to touch the dust of your lotus feet and I feel that it is my Janmantara Punya, I have had a letter from your goodself.

While reading your sadhanas in the Hindu, I am of the opinion that a single man in Coimbatore has become an institution is not enough it should have been a single man at Coimbatore is not only an institution **but also a full fledged University and a store House of Madhwa Siddhanta Paravidya Praveena.**

From this, what I feel is, that the first book you have published is Vayu Tattwa and Hari Sarvottama might have instructed the tiredless Sri Vayu Devaru to reside in your heart in the form of Srimad Acharya and that the same started working out from 1992 along with your countless sadhanas such as renovating old temples, pravachanas, of Brahma sutras, participation in various spiritual debates and so on.

With my limited capacity, I understand which your books taught me that there is No Beda in Sarvottama's Avatara Moola Avesha and His limbs as the Lord of Lord sports Himself as a part and whole of He, it is all His effortless divine sport - लीला. This principle has been beautifully brought forth in your Book where

“Sri Hari Vayu Stuti” in which you have stated that the verily नख of the Lord where Mahalakshmi resides is He Himself. I have never imagined ever before that a lifeless नख in us, being in the hands of the Lord is Himself and such a supreme fact of Lakshmi Narayana Tattwa is brought forth by you splendidly in the book is thrilling which is a most pivotal point to be pondered.

Further in your book “Abhimanyu” when you state he had special Avesha of the Lord Krishna and Amsha of Sri Vayu. Nevertheless Abhimanyu has not been spared in Padmavyuha shows Srimad Acharya Gyana Sampoorana Tattwa by having conveyed the Lords’s message of Satya Sankalpa to save the Five which Lord has promised to Kunti Devi.

When you write that Abhimanyu who had the Avesha of Lord and Amsha of Sri Vayu had passed away falling on the battle field should not be lamented attained a new figure of glory after death the hero is shining like a Monarch in his own immortal radiance. Verily Abhimanyu has once more assumed his own body composed of the essence of the Moon that is desired by all twice born once, proving the sutra 3-3-55, for which Abhimanyu’s death is not a matter of lamentation and the lesson to be taught through your version is for a sincere devotee there is nothing to fear in God, nothing to feel in death, evil can be endured and by hearing Abhimanyu’s greatest fall in the war for good cause, preaches us our greatest glory is not never falling but raising every time we fall.

With humble namaskarams.

Your most humble Sisya

Respected sir,

Words cannot express my happiness enjoyed while reading your book No. 125 namely "Profound depth of extra-ordinary nature of Śrī Bhāgavata and Harikthāmṛta Sāra".

You made sātṛwic to understand the depth of knowledge of Srimadananda Tirtha who has analysed in 13 places of his fine works, the two slokas namely 2-10-12 and 2-5-14 of Bhāgavata. This makes the reader to refer those fine works at least one. Your goodself have brought out in simple English to understand the satwic souls the utter dependance of all jivas right from Chaturmukha Brahma and that of Kāla, Karma and others.

On the Gītā Jayanti day you have made me to read the great mahimas of Gītācārya and that of Śrīmadācārya, while I was in hospital after undergoing two surgery (Tracheostomy done and tube inserted and thereafter, wind pipe in the throat was removed totally on account of Cancer).

The way in which you have given explanation to the word "मनलु मनेगळ माडि मक्कळु" bringing the scope of the words refered to in Bhallaveya Sruti and the one from other Sruti with respect to the present day power of colector (for easy understanding for persons like me) is very fine indeed.

From the first picture (namely Sri Trivikrama Mahaprabhu of Tirukoilur, to the last but one thrilled audience of Chennai) adorning the book, **one can conclude that the title of the book apply to the vast knowledge of Sri TSR, Advocate as well.**

Namaskaras.

Sincerely yours

Respected Sir,

*Subject :* Payment of Rs. 10,000/- towards  
Gurukula Ashrama - Reg

Received your letter dated 17-11-09 together with a book  
“Vāmiki Ramayana in Nut-shell” and I furnish my opinion as  
follows.

#### “Books”

1. My days among the dead are past.

My never failing friends are there with whom I converse Day by Day.

I have got a good collection of Books written by Sri T. S. Raghavendran M.A. B.L., in my book shelf and I used to read one or two chapters daily.

#### Measure/Measurements.

2. The tailor takes the measurement with an Inch Tape to stitch pants and shirts etc.,
3. The things of liquid items like milk, oil etc., are measured in liters.
4. The grains like Rice are measured in kilos.
5. Vegetables are weighed in kilos.

**But the contents furnished by Sri T. S. Raghavendran M.A. B.L., in his publications based on Madhva Philosophy, Dwaita system cannot be measured, as there is no yard stick.**

**For which I would say Sri T. S. Raghavendran M.A. B.L., is doing wonderful and appreciable work.**

The things are exhibited in various books based on systems with references/quotings. The instances that the lay man made to understand about the philosophy qualitatively and quantitatively is highly appreciable.

I am only a L.K.G. student in learning the system of Madhva Philosophy and going through your publication. I have learnt a small portion and to know the rest of the things. I require a long, long period.

I pray the Almighty and Srimad Acharya to bestow his blessings.

**“Go Ahead” – Be sread fast.**

**Fast comes His grace.**

All you wish All that you need within the Frame work. I wish, I wish, I wish God’s blessings to you and to me too.

**In one word to say you have captured the heart of all the worthy people.**

I am enclosing here with a copy of my photo as required by you.

Thanking you sir,

Yours Sincerely

Sd/- N. Narasimhan.

| 1.           | Śrī Kṛṣṇa who is most capable, drank the forest fire in the night and protected all the gopālakas. Due to His diving in Yamunā River, His body would have become very cold. By this heat, He got rid off, that cold. |
| 2.           | Drinking of forest fire by Śrī Kṛṣṇa is described as a great feat by all. But it is not so, because Agni had reached its house – namely the Mouth of the Lord.                                                       |
| 3.           | Śrī Kṛṣṇa after swallowing the forest fire left for Bṛndāvan along with His devotees who worship His Pādas.                                                                                                          |
| 4.           | When Śrī Kṛṣṇa drank forest fire, then out of anger, Summer season sought the help of the SUN and caused burning heat.                                                                                               |
| 5.           | By Vasantakāla season, the heat of summer was being won over. The summer out of anger made the flowers in the trees dry and made them to fall down.                                                                  |
| 6.           | The summer season appeared to be an enemy to Lord Śrī Kṛṣṇa. This is because during summer, the water sources all become dry and what all are created by God, are destroyed and it looks so.                         |
| 7.           | In Vasantakāla, the heat of the summer was reduced. The trees gave shade and the parrots and other birds were happy. But one daitya with poison was like a tree, with the boon of Chaturmukha.                       |

| Śloka<br>No. | Subject                                                                                                                                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8.           | That daitya though came in the rūpa of a pleasant tree in the forest of Murāri, still he was giving poison and trouble to all. It is daitya's nature and swabhāva.                                                        |
| 9.           | The daitya in the form of poisonous tree was destroying all the birds, animals etc. in Bṛndāvan. He was thus courting enmity of Chaturmukha who bestowed boon on him.                                                     |
| 10.          | Generally each creature will have poison at a particular limb of it. But this daitya had poison through out his body, namely in the trunk, leaves, flowers, fruits etc.                                                   |
| 11.          | Nobody can describe the strength and gravity of poison of that tree. Even Balarāma who is himself Ādiśeṣha was unable to withstand and fell down unconscious.                                                             |
| 12.          | Though the tree had fruits, leaves, branches and looked with beauty and sober, still the daitya had poison in him. He appeared like a Sādhu, but by nature was deadly cruel person.                                       |
| 13.          | That Asura was named as 'Ugra' which was very apt and appropriate because he was giving untold miseries and hindrances to the innocent people.                                                                            |
| 14.          | Śrī Kṛṣṇa by one stroke dismantled the asura tree and threw it on the cows who were all daityas who had come in that form, as cows. By one stroke, He had two objects fulfilled splendidly.                               |
| 15.          | Śrī Vādirāj Mahān describes about the cruelty of heat in a remarkable way. (a) Śiva has Gaṅgā on his head due to this (b) Śrī Viṣṇu sleeps in the sea due to this (c) Chaturmukha Brahma takes abode in the lotus flower. |

| 16.          | Even ṛshis have fire on all their four sides and do japa of Śrī Hari. For Aparoksha Jñānins which is impossible and difficult.                                                                            |
| 17.          | Vāyu was making cool of Bṛndāvan. At that same time, Vāyu was aggravating the forest fire. This is correct because persons who oscillate will do both.                                                    |
| 18.          | The people in the city could not feel the misery of the heat because they were happy in company with their wives and enjoying pleasures.                                                                  |
| 19.          | Śrī Kṛṣṇa's by His Face by the merciful look rays and by His anugraha (Kāruṇya) by that, He poured down and saved from the heat at Gokula.                                                                |
| 20.          | Marriage of Nīlā daughter of Gopālaka Kumbhaka, by Śrī Kṛṣṇa. Śrī Kṛṣṇa subdued the seven bulls before such marriage.                                                                                     |
| 21.          | After the marriage with Nīlā by Śrī Kṛṣṇa, a daitya in the form of donkey came to Gokula who was killed. That daitya by swabhāva was also a donkey.                                                       |
| 22.          | Gopālakas along with Śrī Kṛṣṇa went to the place where that daitya Khara was dwelling. For sātvic souls, the food and satisfaction, is elimination of haters of God.                                      |
| 23.          | Balarāma under the mandates of Śrī Kṛṣṇa killed that Kharāsura — donkey. Balarāma had palm tree as his flag and this asura wanted to destroy them and so naturally in turn Balarāma destroyed that asura. |

| Śloka<br>No. | Subject                                                                                                                                                                        |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24.          | That asura started kicking by raising its back two feet. This actually helped Balarāma to catch hold of them and to throw it like a ball.                                      |
| 25.          | That asura was thrown high in the air, just like children throw stones to get fruits from the trees.                                                                           |
| 26.          | Then Dhenukāsura – that donkey fell down with huge body and crushed many many palmyra trees of that fall.                                                                      |
| 27.          | Śrī Kṛṣṇa saw that asura was killed by Balarāma, in order to justify the name given to His elder brother as Balarāma, by Gargāchārya.                                          |
| 28.          | Balarāma also killed the enemy of Śrī Kṛṣṇa, by name 'Pralambāsura'. Balarāma also eliminated Māyāputra by name Vyoma effortlessly.                                            |
| 30.          | All the clouds in order to please Lord Śrī Kṛṣṇa became of the same colour – blue black. Then they started pouring rains bringing happiness to all.                            |
| 31.          | For those clouds, Varuṇa in the charioteer. For those who have taken shelter under Viṣṇupāda, will help always others and there is no wonder in it.                            |
| 32.          | In the world, clouds give water and removes the misery of the people. By nature, the wind is against them. Still the winds were co-operating with the clouds in that Bṛndāvan. |
| 33.          | Since the śabda 'Payodhara' is applicable to clouds as well as to the breasts, the author makes splendid comparison with sky and stomach, lighting and side glances, so on.    |

|--------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 34.          | The clouds gave few drops of water by that the rivers and other water sources became full. This is the truth, because a person always in Viṣṇupāda (sky) even small grant, will be large.                                                                                         |
| 35.          | By the arrival of clouds, the power however great, it may be for the summer, was taken away by them. This is true. A wicked person whatever may be his capacity will not shine always.                                                                                            |
| 36.          | Summer season was totally defeated by Śrī Kṛṣṇa. It left of by creating forest fire. Śrī Kṛṣṇa again drank that forest fire and saved all.                                                                                                                                        |
| 37.          | Śaratkāla is compared to the śāstras of Śrī Madhvāchārya. It removes the dirt in tanks and rivers, then make them full with clean water, śāstras of Śrī Madhva removes all the dirt and darkness. Then fills up with good attributes to attain Moksha.                            |
| 38.          | In this śloka the comparison is made splendidly as under by Śrī Vādirāja Mahān. Lotus flowers, Śaratkāla, Saraswati Devi, Śesha deva, good smelling wind, Madhva śāstra, dirt and mud with sins, those who have good mind and those who follow the mandates of śāstras and so on. |
| 39.          | Malaya Māruta in Śaratkāla had its coronation. This was like Śrī Vāyudeva had the Paṭṭābhiṣeka as Śrī Ānandatīrta.                                                                                                                                                                |
| 40.          | Description of winter season is made. It is compared to the faces of separated women and made the prakāśa of Sūrya to diminish.                                                                                                                                                   |

41. Sūrya had agni in his two hands was unable to bear the cold and out of misery entered the sea. Then about others who were unable to bear the cold, it need not be described.
42. The Gopikā Kannikās wished to marry Śrī Kṛṣṇa as their husband. To achieve that object, they performed Kātyāyana Vrata with devotion.
43. The Gopikā Kannikās felt shy to request before Śrī Kṛṣṇa directly about their desires. So they requested Durgā, sister of Śrī Kṛṣṇa for their help.
44. Gopikā women did Pūjā to the Goddess Lakshmi also because she is most dear to Him always. They did not want to displease Her and so these women worshipped Her.
45. They poured flowers at the Lotus Pādas of Mahālakṣmī. They did so, because that Lakshmi may decorate their heads with flowers considering them as their younger sisters. Applied kumkum etc. like in the same way.
46. They submitted Betelnet, and leaves to Kātyāyana devi in the hope that Śrī Kṛṣṇa will give them, the betel leaves but after massaging in His mouth.
47. Those who like to attain Me, should do Pūjā only to Me but not to Mahālakṣmī. To make home this point, Śrī Kṛṣṇa brought all their clothes and sat on a tree.
48. The śabda 'Ambara' denotes both clothes as well as 'Ākāśa'. This Ākāśa is not the one which can be seen by the eyes. When this is so, how can Ambara be seen ?

| 49.          | Śrī Kṛṣṇa saw the gopikās with their mouths shut and were shivering in cold. Śrī Kṛṣṇa gave them back their dresses after indicating to them that they were eligible for His touch.                                        |
| 50.          | Śrī Kṛṣṇa then asked the Gopālaka boys to get food from the Yajña-śālās where brāhmins were ready with food.                                                                                                               |
| 51.          | Though the gopālakas were starving by themselves, still they begged for food to Śrī Kṛṣṇa. This is the swabhāva of sātvic souls who do not do efforts for them in a self-fish way.                                         |
| 52.          | The brāhmins did not give food because they were afraid that obstacles may come in their path, if such offerings are made in the middle before Yagya's completion.                                                         |
| 53.          | The wives of the brāhmins readily and gladly submitted food to Śrī Kṛṣṇa. By this, they had the future Mukti, definitely in their hands. It is not told that Purushas alone are entitled to the grace of Śrī Purushottama. |
| 54.          | Śrī Kṛṣṇa took such food as well as the entire offerings made to the Parvata, intended for Devendra, for Himself.                                                                                                          |
| 55.          | Śrī Kṛṣṇa remained in Govardhana Parvata in one rūpa and in another rupa along with Gopālakas, He encircled that mountain. He made Indra to get anger to justify his name as 'Śatamanyu'.                                  |
| 56.          | Though Indra had thousand eyes, still he did not understand the mahimās of Śrī Kṛṣṇa. He ordered the clouds to flow torrential rains continuously at Gokula.                                                               |

57. When Indra did so, Lord Śrī Kṛṣṇa lifted the mountain and protected all.
58. Though Śrī Kṛṣṇa alone is the independent support for the Universe, still to show it as example, He held that huge mountain by His small finger, when He was seven years old.
59. This great Mahākāvya called as 'Rukmiṇīśa Vijaya', is done by the Viṣṇu-Bhakta and Uttama Śrī Vādirāja Mahān.

श्रीकृष्णकृतदावाग्निपानम्

Drinking of forest fire by Śrī Kṛṣṇa

स यामुनाम्भस्यवगाहनोत्थशरीरशैत्यं शमयन्निवेशः ।

निशि प्रवृद्धं नवकाननाग्निं पपौ दयालुः स्वजनस्य गुप्त्यै ॥ १ ॥

सः ईशः = समर्थः, दयालुः श्रीकृष्णः निशि = रात्रौ, प्रवृद्धं नव-  
काननाग्निं = नूतनदावाग्निं, स्वजनस्य = बन्धुजनस्य, गुप्त्यै = रक्षायै, पपौ =  
पीतवान् ॥

That Śrī Kṛṣṇa is most capable drank the new forest fire  
in the night which arose to destroy all and by that Śrī Kṛṣṇa  
protected all His relatives and others.

Śrī Vādirāja Mahān describes this glory of Lord Śrī Kṛṣṇa,  
by the addition of reason as to why Śrī Kṛṣṇa did so, in order that  
even common ordinary persons can visualise and appreciate that  
situation.

यामुनं = यमुनासम्बन्धि, अम्भः = जलं, तस्मिन् अवगाहनेन = निमज्जनेन उत्थं = उत्पन्नं, शरीरशैत्यं, शमयन्निव = परिहरन्निव ।

Śrī Kṛṣṇa became very cool and drenched due to this connection with the river Yamunā diving episode of Kāliṅga Sarpa. Now, He did drink the forest fire, so as to dry Himself out of cold and dry up His Body.

**Note :**

Śrī Vādirāja Mahān is superb in putting the incident of Śrī Kṛṣṇa's drinking the forest fire and saving the gopālakas, cows etc.

The Taittareya śruti states :

“अग्निर्हिमस्य भेषजम्” इति ।

Fire is the medicine for snow or fog. The idea is taken from this śruti and so this work of Śrī Vādirāja Mahān has equality to Vedas.

श्रुतिनित्यत्वम् प्रतिपादयति ।

Mantrālaya Mahān in his “Śrī Kṛṣṇa Chāritra Manjari” states (in the verse 5) :

दावाग्निं तत्र पीत्वा, समपुषदनुगान् गोपकानाविषण्णान् ।

Śrī Kṛṣṇa drank the forest fire and saved the friends of Him, namely the gopālakas who were subjected to great agony and sufferings.

**Note :**

- (a) ईशः = समर्थः - That capable person. By this, Śrī Vādirāja Mahān brings several capacities of Śrī Kṛṣṇa. Only few are given below. Mahā Viṣṇu Purāṇa states :

अल्पशक्तिः असार्वज्ञं पारतन्त्र्यं अपूर्णता ।

उपजीवकत्वं जीवत्वं ईशत्वं तत् विपर्ययः ॥

So In the case of Īśa, Śrī Kṛṣṇa, His capacity is infinite and unlimited.

- (b) Under the sūtra ॐ संभोगप्राप्तिरिति चेन्न वैशेष्यात् ॐ (1-2-8) Bhāṣya states :

सर्वज्ञाल्पज्ञताभेदात् सर्वशक्त्यल्पशक्तितः ।

स्वातन्त्र्यपारतन्त्र्याभ्यां संभोगो न ईशजीवयोः ॥ इति ।

So for that independent Purusha, Śrī Kṛṣṇa, Īśa, this drinking of new forest fire is not a big feature.

- c) Śrīmad Āchārya in Viṣṇu Tatwa Nirṇaya as :

ईशं समाश्रित्य तिष्ठन्ति मुक्ताः संसारसागरात् ॥

यथेष्टभोगभोक्तारः ब्रह्मा वा उत्तरोत्तरम् ॥

All those who are liberated from the transmigration, find their shelter under God Śrī Kṛṣṇa.

### SUMMARY

- (1) Śrī Kṛṣṇa in order to give proper teachings to the Kālinga Sarpa dived in the waters of Yamunā. Due to immersing Himself in waters, His Body would have become very cold.
- (2) In order to remove the coolness of the Body, Śrī Kṛṣṇa drank the forest fire there in the midnight.
- (3) Thereby Śrī Kṛṣṇa protected all the Kith and Kin at that midnight. All activities of Śrī Kṛṣṇa, is only to protect the sātivic souls as stated in the sūtra ॐ न प्रयोजनवत्वात् ॐ (2-1-33), and there is no use to Him at all.

श्रीकृष्णकृतदावाग्निपानम्

Drinking of forest fire by Śrī Kṛṣṇa

स्तुवन्तु सर्वे वनवह्निपान-

कृतानुभावं न वयं मुरारेः ।

स्वजन्मभूमिं शिखिनि प्रविष्टे

क ईशितुस्तेन कृतोऽनुभावः ॥ २ ॥

सर्वे जनाः मुरारेः श्रीकृष्णस्य वनवह्निपानकृतानुभावं दावाग्निपानकृत-  
सामर्थ्यं स्तुवन्तु वर्णयन्तु ।

Let all the persons shall praise Śrī Kṛṣṇa, who is the enemy  
of the Rākshasa by name 'Mura', for having done the glorious act  
of drinking the forest fire.

वयं तु न स्तुमः ।

But the author states, as we do not praise Him for that.

कुतः । Why ?

शिखिनि वह्नौ, स्वजन्मभूमिं स्वोत्पत्तिस्थानं मुखम् ।

This is because, the origin for fire is from the Mouth of  
Lord Śrī Kṛṣṇa.

The Śruti and Puruṣa Sūkta states :

“मुखादिन्द्रश्चाग्निश्चे”ति श्रुतेः ॥

The Mouth of Paramātmā is the birth place of fire.

प्रविष्टे सति तेन ईशितुः = समर्थस्य श्रीकृष्णस्य कोऽनुभावः कः  
प्रभावः ।

When the fire entered its place of origin, where is the need to praise Śrī Kṛṣṇa, is the inner tone. It is very normal and customary is the explanation. This is a splendid way of praising the Lord Śrī Kṛṣṇa, that nothing is wonderful in this case and all are only normal and ordinary, because **He alone is a delight or a wonder.**

कुतः सम्पादितः ।

How He earned such a feat.

वह्नौ स्वजन्मभूमिं प्रविष्टे सति श्रीकृष्णस्तुतिकरणं व्यधिकरणमिति भावः ।

When a person enters his normal house, it is not prudent or proper to extol, the house, namely here Śrī Kṛṣṇa.

Such way of praising Śrī Kṛṣṇa is really marvellous and there is no match for Śrī Vādirāja Mahān. He is unique in this respect.

This Alankāra is called :

व्याजस्तुतिरलङ्कारः ।

**Note :**

By this Śrī Swāmi emphasises to the devotees that Śrī Kṛṣṇa is Paramātmā Śrī Viṣṇu Himself who is mainly described in Puruṣa Sūkta.

तस्मिन् काले महाराजा रामेव अभिधीयते ।

यथा हि पौरुषे सूक्ते विष्णुरेव अभिधीयते ॥

and that Śrī Viṣṇu is Śrī Kṛṣṇa.

ब्रजप्रवेशः

Entry to Gokula

स्वजनैर्निजपादाब्जभजनैः सहितस्ततः ।

ब्रजमर्जितसर्वार्थब्रजं निविविशेऽच्युतः ॥ ३ ॥

निजपादाब्जयोः भजनं येषां तैः स्वजनैः सहितः, अच्युतः, ततः कालीयहृदात् आर्जितः उपार्जितः सर्वार्थब्रजः = समस्तपुरुषार्थसमूहः यस्य सः ।

Śrī Kṛṣṇa who is imperishable who has acquired and amassed the glory of all objects of life, entered Gokula.

ब्रजं (ब्रजा गोष्ठाध्वसञ्चया इति रत्नमाला) निविविशे प्रविष्टवान् इत्यर्थः ॥

He did so along with His Kith and Kin from the Yamunā pool and who always worship His lotus like Pādas.

Śrī Vādirāja Mahān brings home the following important truths here :

- (1) अच्युतः = Is the name used here for Śrī Kṛṣṇa to show that He is never disturbed anyone. The fire that entered His mouth did not do any harm or Vikāra in Him. To highlight this point, this śabda is used.
- (2) स्वजनैः निजपादाब्जभजनैः = Whoever does worship of His lotus Pādas is always protected by Him. He is steady (अच्युतः) always in His promise. He protects great gods like Chaturmukha Brahma, Rudra and others. Śrīmad Āchārya cites an authority in the first sūtra ॐ अथातो ब्रह्मजिज्ञासा ॐ from the Brahma Vaivarta Purāṇa :

ब्राह्मे ब्रह्मवैवर्ते च—

श्वपचादपि कष्टत्वं ब्रह्मेशानादयाः सुराः ।

तदैव अच्युत यान्ति एव यदैव त्वं पराङ्मुखः ॥

If Achyuta, were to turn His merciful Face away from us, then we would be reduced to a positin, worse than that of dog-eater. These are the words of Chaturmukha who is a “Ekānta Bhakta”.

By this Śrī Vādirāja Mahān brings home that Śrī Kṛṣṇa is Achyuta, never slips from the vedic mandates and always protects His true devotees, whatever may be there temporary misdeeds or ignorance. Further the adoration of the lotus Pādas of the Lord is a sine-qua-non.

उदीर्णं अजरं दिव्यं अमृतस्यंदि अधीशतुः ।

आनन्दस्य पदं वन्दे ब्रह्मेन्द्राद्यभिवन्दितम् ॥

### SUMMARY

- (1) After swallowing Agni, that Śrī Achyuta (Śrī Kṛṣṇa) along with Kith and Kin entered Bṛndāvan.
- (2) Śrī Kṛṣṇa entered with those, who always meditate on His Lotus Pādas.
- (3) That Bṛndāvan was full with all articles which were desired for.

In Madhva Vijaya 8-3, it is mentioned as :

पुर एव पूरितमपूरयत् पुनः

ननु कृष्ण एष परमार्थसंख्यया ॥

Earlier in the Dwāpara Yuga, Śrī Kṛṣṇa filled up that broad and covetable Dwārakā city with Uttama Vastus again, even though the city was already full and

complete in all respects. Same is the case here, in respect of Brndāvan mentioned above.

ग्रीष्मर्तुवर्णनम्

Description of Summer season

निजबलकरमग्निं कृष्णपीतं निशम्य

ज्वलित इव ससूर्यः प्रादुरासीन्निदाघः ।

स्वकृतिमथ सनाम्ना निर्णिनीषुर्विचिन्त्य

द्रुतमृतुपतिनेव प्राप गोपो वनान्तम् ॥ ४ ॥

ग्रीष्मर्तु वर्णयति ।

Summer season is described now.

निदाघः = ग्रीष्मः । निजस्य = स्वस्य बलं परसन्तापकरणसामर्थ्यं करोति इति निजबलकरम् । ग्रीष्मोऽहि दावाग्निना लोकान् सन्तापयतीति भावः ।

It is only the SUMMER season, by its strength, by that fire brings for all the worlds, misery and heat.

अग्निं = दावाग्निं, कृष्णेन पीतं, निशम्य = श्रुत्वा, ज्वलित इव = स्वसहायनाशजन्यकोपात् प्रज्वलित इव, ससूर्यः एकस्मिन् सहाये गते सहायान्तरेण कार्यं साधयामीति वा, सूर्येण सहितः सन्, ग्रीष्मे सूर्यस्य अतितैक्षण्यात् इति भावः ।

The Summer season, on hearing that the forest fire was drunk by Śrī Kṛṣṇa, was upset because that forest fire which was helping in scorching the world was drunk by Śrī Kṛṣṇa.

So, the Summer season joined with its another ally (friend) partner – namely the SUN and fiercely started burning in anger.

Devotees can appreciate the beauty and the nice way of explanation given here by Śrī Vādirāja Mahān, in describing the simple fact, that the SUN was very hot during the SUMMER.

अथ = ग्रीष्मप्रादुर्भावानन्तरं, गोपः = श्रीकृष्णः, स्वकृतिं = स्वकार्यं  
सनाम्ना = माधव इति समानं नामधेयं यस्य तेन, ऋतुपतिना = ऋतुश्रेष्ठेन  
वसन्तेन सह, विचिन्त्य, निर्निनीषुरिव = निर्णेतुं इच्छुरिव, द्रुतं = शीघ्रं,  
वनान्तं = वनमध्यं, प्राप ।

Then Śrī Kṛṣṇa as if desirous of working out His future plans of deeds entered into the middle of the forest, to discuss with His name sake.

Which means Summer was over and then the next Spring season has started. The name of Śrī Kṛṣṇa as well as spring season are the same called 'Madhu'.

“एकनाम्नोः सदा प्रीतिः” इति वसन्तस्य समाननामत्वेन श्रीकृष्ण-  
सुहृत्वमिति भावः ॥

In the case of persons having the same name, there will be love and affection towards each other as natural process. Spring season is called “Vasanta Kāla” as well as 'मधु' and Śrī Kṛṣṇa is called as 'मधु' ।

Then how can there be Summer and Spring be available at the same time. The explanation to this, of two fold.

- (i) Wherever Śrī Kṛṣṇa is present, it is Spring only and it will be cool only for all the sātvic souls. He has taken Avatāra in Chandra dynasty.
- (ii) Summer and Spring both are opposite. How is it possible to remain at the time. It is fully possible because of His Achintya Aiśwarya Śakti.

- (iii) Vasanta Kāla has been told as the friend of Śrī Kṛṣṇa. This is because, when there is concurrence of names, then for that factor only, a sort of friendship would develop even though they may not know each other earlier is seen in the jagat.

एकनाम्नोः सदा प्रीतिरिति वसन्तस्य समाननामत्वेन श्रीकृष्ण-  
सुहृत्वमिति भावः ।

Paramātmā having the name 'Vasanta' can be seen under the sūtra : 1-4-10

ॐ ज्योतिरुपक्रमात्तु तथा ह्यधीयते एके ॐ

In that the Upanishad Vākya "वसन्ते वसन्ते ज्योतिषा यजेत" is discussed. In every Spring, do Jyotishtōma Yāga is the meaning for this. 'वसन्ते' when taken as denoting Paramātmā, it is वसन्तिश्च वसन्ततः which means Paramātmā is present everywhere and He is all pervasive and He is सर्वव्यापि ॥

The Summer season with the help of the heat of the SUN was shining. But it was being won over by the Spring – Vana Mādhava.

The forest fire was also subdued and minimised by the Mādhava of Gokula.

Then the summer season in anger rendered dry the blossoms of the spring time, made the cool breeze hot, the bees shaken by the fear of champaka flowers, The cuckoos and other birds were made dumb. It began to blaze brightly in an instant.

पिकादीन् खगान् पक्षिगणान् मूकांश्च विधाय उष्णकाले पक्षिणो

The birds became dumb and silent, because during summer they take shelter in the trees and do not travel much. Hence they become silent.

Description of Summer season

पाथः शीतमशीतलोष्णधरिणीं भास्वद्वलेनोष्णय-

कुर्वन् कृष्णकृतेर्विरोधमिव तद्भासं च वाः शेषयन्

॥ ६ ॥

Śrī Vādirāja Mahān explains the unbearable nature of the summer season in various ways.

स ग्रीष्मः “यतो वा इमानि भूतानि जायन्त” इति श्रुतेः विश्वस्य कृष्णसंसृष्टत्वं निशम्य कृष्णकृतेः श्रीकृष्णकर्मणः विरोधं कुर्वन्निव । कृष्णेन यद्यद्वस्तु यादृशं कृतं तस्य तस्य वस्तुनः वैपरीत्यं कुर्वन्निव शीतं शीत-स्पर्शयुक्तं पाथः उदकम् । “कबन्धमुदकं पाथः” इत्यमरः । शीतला च सा उष्णा च शीतलोष्णा सा न भवतीति अशीतलोष्णा सा चासौ धरिणी च ताम् अनुष्णाशीतस्पर्शवर्ती भूमिमित्यर्थः ।

The Summer season looked like an enemy in topsy-turvying the whole creation of Śrī Kṛṣṇa. By the power of the SUN, the water which was cool was made hot. The earth which is neither cool nor hot was made very hot.

The summer made the wind which blows always cross wise to blow upwards.

It made the body which is made up of fire, earth and water fit for water. It dried up even the water which is the abode of Lord Śrī Nārāyaṇa. It reduced to ashes the forest creatures.

Thus the summer had under its control the whole jagat.

अनेन अर्कस्य तैक्ष्ण्यं भूजलादीनामौष्ण्यं चक्रवातोत्पत्तिः पिपासा जलशोषणं दावाग्निना वनस्थप्राणिनाश्चेति ग्रीष्मधर्मा वर्णिताः ॥

By this, the heat of summer and its making the water sources dry, all are described.

सुच्छायैः शुक्रमण्डितैः शुभफलैरुद्यत्प्रसूनोद्गमै-

सु = निबिडा छाया येषां तैः शुकैः कीरैः मण्डितैः = अलंकृतैः, शुभानि फलानि येषां तैः, उद्यत्प्रसूनानां = प्रकाशमानकुसुमानाम्, उद्गमो येषां तैः माधवपक्षगैः = वसन्तपक्षपातिभिः वृक्षैः निदाघोद्भवे = ग्रीष्मोद्भवे खेदे श्रमे प्रशमिते सति,

The distress caused by the Summer heat was allayed or reduced by the trees which are partial to the Spring (Vasanta Kāla). How the trees are partial to the Spring, is explained by stating :

- (i) That they have dense shades
- (ii) They were being adorned by parrots.
- (iii) They have very good fruits.
- (iv) They have produced shining flowers.

At that time,

कोऽपि = कश्चन दैत्यः, वरतः = ब्रह्मदत्तवरात्, वने = वृन्दावने, तरुत्वं = विषवृक्षत्वम्, एत्य,

Some daitya who did penance towards Chaturmukha Brahma and by his boon was standing as a poisonous tree in Brndāvan.

तत्पक्षपातीव ग्रीष्मपक्षपातीव, तच्छायावायुसुखात् तेषां वृक्षाणां छायानिवासजन्यसुखात् सहस्रगुणितं = सहस्रगुणपरिमितं ततोऽपि अधिकं इत्यर्थः । शोकं = दुःखं, वितेने = चक्रे ॥

That poison tree acted as partial to the Summer season, in the sense, that the tree gave hundred fold distress to the people who took shelter under it for shade. It would be better to stand at the scorching than going under this poisonous tree for shade,

because the trouble created by that tree, was many fold than the summer hot season.

Śrī Mantrālaya Mahān in his Śrī Kṛṣṇa Chāritra Mañjari states in the 4<sup>th</sup> verse as “दुष्टवृक्षच्छिदव्यात्”—

Śrī Kṛṣṇa who cut off and destructed the poisonous tree, shall protect us. That tree was a devil/demon who had taken up the shape of a tree and further that devil had the boon of Chaturmukha Brahma also.

स दैत्यः तरुत्वमपि = दर्शनाभिवादनहीनयोनिमपि, आप्य = प्राप्य, मुरारेः = श्रीकृष्णस्य, वनं = वृन्दावनं, समन्तात् = परितः, विषैरदूषयत् = दुष्टमकरोत् ।

That daitya though he became a tree by which he was unable to speak, or see, still by that figure of tree itself, he started spoiling the Bṛndāvan Forest of Śrī Kṛṣṇa, who is the enemy of Mura. He spread the poison all round the forest and started spoiling the same.

हन्त = कष्टम् ।

It is highly miserable.

तथाहि । इह लोके खलः = दुर्जनः, स्वनासिकाच्छेदमपि सोढ्वा =  
मर्षित्वा स्वनासिकां छित्त्वाऽपीत्यर्थः ।

In this world, a wicked person, even though his nose is cut  
off still,

सतां प्रयाणं = गमनं निरुन्धे खलु अपशकुनं कृत्वा गमनप्रतिबन्धं  
करोति हि इत्यर्थः ॥

he would obstruct the journey of the virtuous people. He  
would do it even at the cost of chopping off his own nose.

Śrī Vādirāja Mahān brings a glorious feature of the wicked  
who act in the world. They would not mind looking something for  
themselves and they would be much interested in harming others.  
They by nature would be able to tolerate and withstand their pain  
and agony, in the pleasure they get when they harm good people.  
Seeing their sufferings, they would even forget their pains. Here  
the cruel devil was able to tolerate by remaining as tree with  
many handicaps but was happy that he was able to bring so much  
harm to the people of Bṛndāvan.

Such qualities, one can see in the character of Duryodhana,  
Jarāsandha and other various demons and wicked souls. Though  
they were born in Kshatriya Kula and were kings, still their  
henious activities did not stop. Because their nature is so and  
wherever they are, they will bring trouble to sātivic souls.

विनाश्य वृन्दावनवासिपक्षिमृगादिनानाविधजीववर्गम् ।

वरप्रदातुस्तरसा विधातुरसौ विशङ्को विदधे प्रतीपम् ॥ ९ ॥

असौ = विषवृक्षरूपी दैत्यः, विशङ्कः = निःशङ्कः सन्, वृन्दावन-  
वासिनां = पक्षिमृगादिनानाविधजीवानां, वर्ग = समूहम्, तरसा = जवेन,  
विनाश्य, वरप्रदातुः स्वस्य वरप्रदातुः ।

That poisonous tree — daitya without fear of hesitation  
killed all the birds, deer and others living in Bṛndāvan.

By this, that daitya tree did injustice and did antagonistic  
deed to Brahman. How is explained as :

विधत्ते इति सृष्टिं करोति इति विधाता सृष्टिकर्ता, तस्य ब्रह्मणः प्रतीपं  
= विरोधं विदधे, तत्सृष्टस्य जीववर्गस्य नाशकारणमिति भावः ।

Chaturmukha Brahma was the bestower of boons to that  
Asura called Ugrāsura. Then by killing the hosts of the various  
kinds of creatures living in Bṛndāvan, he did injustice and harm,  
to the person who helped him. This is so because, Chaturmukha  
Brahma is the creator of all these creatures (as per the mandate  
of Śrī Hari) and to kill them, is totally immoral, illegal and  
unjustified. That demon has totally forgotten the person, who has  
done help to him. This is asuric and devilish nature.

कृतघ्नाः खलु दुर्जनाः स्वोपकारिणामपि अपकारं कुर्वन्ति इति भावः ।

Only those wicked who forget the help done to them, would  
result and resort in such heinous deeds.

By this Śrī Vādirāja Mahān brings to our notice various  
wicked souls, who did so, which we can find in great Purāṇas,  
like Bhāgavata, Bhārata, Rāmāyaṇa and so on.

For example : Bhasmāsura who had a boon from Lord Śiva,  
that any person on whose head, if he heeps his hands, then that  
person would perish. To start with and to examine the authen-  
ticity of the boon granted by Lord Śiva, he started to place his  
hands on Śiva himself. This is the ingratitude of demons and

wicked souls. Ingratitude is the unpardonable heinous crime and Śrī Vādirāja Mahān warns the devotees not to fall in that grove, even in dreams.

तदीयगन्धेन फलेन पुष्पकुलेन मूलाश्रयणेन लोकः ।

तदैव नाशं किल याति कृष्णविपक्षमैक्षी किमु सौख्यदात्री ॥१०॥

लोकः = जनः, तदीयेन = विषवृक्षसम्बन्धिना, गन्धेन = परिमलेन, फलेन पुष्पकुलेन मूलाश्रयणेन, तदैव = तत्क्षणादेव, नाशं याति किल ।

People in Bṛndāvan by the association of that poisonous tree, by way of its smell, or its fruits, or by its flowers, or by restoring in its trunk for shade etc. were killed immediately by that poisonous tree.

Śrī Vādirāja Mahān explains as to why it happens so ?

तथाहि । कृष्णविपक्षमैत्री = श्रीकृष्णविद्वेषिसख्यं, सौख्यदात्री = सुखमेव सौख्यं तस्य दात्री किमु । दुर्जनमैत्र्या दुःखकरत्वादिति भावः ।

Will the association of (friendship) of the persons who are enmical to Śrī Kṛṣṇa, give anyone happiness ? **Certainly not. It would lead to disaster only. There is absolutely no doubt in this.**

Now the question would be as to how this Ugrāsura in the form of tree has become the enemy – enmical to Śrī Kṛṣṇa.

The first and foremost reason is that, the asura received the boon from Chaturmukha Brahma and did injustice to him and behaved in utter ingratitude towards him.

By doing injustice or hatred towards Chaturmukha Brahma, automatically, as a natural consequence that asura has become a person to be punished by the Lord since it amounts to injustice to Śrī Kṛṣṇa Himself. There is no iota of doubt in this truth. As a matter of fact, Paramātmā would be getting more anger when injustice is done to Paraśuklatraya — namely : (1) Mahālakṣmī (2) Chaturmukha Brahma (Vāyu) (3) Saraswati (Bhārati) than offending Him. Even the offence committed to Him, would be pardoned but not towards these selected three, because the depth of their Bhakti towards Śrī Hari is immeasurable and is very vast and they are grouped as 'Ekānta Bhaktas' and do not desire anything other than serving at His Lotus Pādas .

किं वाच्यमस्यातिविषोल्बणत्वं

यस्मात्स दर्वीकरवर्गमौलिः ।

अस्य विषवृक्षस्य अतिविषोल्बणत्वं अत्यन्तविषोत्कटत्वं किं वाच्यं = किं वक्तव्यम् ।

What can be said of the virility of that poisonous tree ?

यस्मात् कारणात् दर्वीकराणां = सर्पाणां, वर्गस्य = समूहस्य, मौलिरपि = प्रधानोऽपि, सतां = सज्जनानां, ग्लानिहरोऽपि = श्रमहरोऽपि, स रामः अपि शेषात्मकः बलभद्रः तत्सङ्गतवायुनैव तद्विषवृक्षसम्बन्धिवायुमात्रेण ग्लानिं अवाप ।

For even, Balarāma, who is the crest-jewel of the group of serpents who became terribly ill; by the contact of its wind, Śrī Kṛṣṇa removed all the ills to him.

Śrī Vādirāja Mahān here highlights several precious truths by this verse :

When Śesha, the King of serpents, is affected by that poisonous tree, then one can imagine the veracity and strength of the poison.

शेषात्मकबलभद्रस्यापि ग्लानिकरत्वात् अस्य विषौत्कट्यं किं वर्णनीयं इत्यर्थः ।

And who can describe about that force of the poison ?

Śrī Vādirāja Mahān describes here :

- (1) That the asura tree had the boon of Chaturmukha Brahma and so Śesha – Balarāma cannot overcome by that and has to yield to it. Chaturmukha Brahma is far far superior to Śesha, is established.
- (2) When boon is given by Chaturmukha Brahma, only he or two persons above him, namely Mahālakṣmī or Paramātmā can alter, or redeem the victim out of it, but not anyone else.
- (3) Even though boon is obtained from Chaturmukha Brahma by tapas, in case of :
  - (i) Persons obtaining the boon has wicked nature,
  - (ii) If the person prays for a boon which is against śāstras, like Hiranyakaśipu.
  - (iii) If the person prays to do harm to innocent bhaktas, by such boon,

then it would be of no use. Only wicked would pray like this. So mere tapas is not a virtue, but the question is :

- (i) Who does ?
- (ii) Of whom he does ?
- (iii) How did he do ?
- (iv) What is the purpose of tapas ?
- (v) What is the boon asked for etc. etc. ?

are the determining factors, and all these would depend upon his NATURE (स्वभावः).

फलैः प्रसूनैः कुसुमैः विलसत्प्रवालैः विलोलैः = चञ्चलैः, दलैः = पर्णैः, शुभायितः अपि = शुभवत् आचरमाणः अपि, सज्जनवत् प्रतीयमानः अपि स वृक्षः मध्ये हालाहलमेव = कालकूटमेव बिभर्ति ।

That poisonous tree appeared to be auspicious for the look, since it had fruits, flowers, shining sprouts and waving leaves. The tree bore poison only in the middle. It was deadly 'Kālākūṭa' poison which had the few presence of Kali in it. (So only it affected even Balarāma, as stated earlier).

Śrī Vādirāja Mahān brings the character of the wicked souls here.

तथाहि, खलः = दुर्जनः, प्रकृत्या = स्वभावेन, गूढवृत्तिः = गूढचेष्टः  
खलु ।

Wicked and crooked souls, by their nature would act only in a secret manner and would do harm on the innocent persons. That is their nature. For outward appearance, they may look good but in the heart, they are too black and sinful.

For example, Duryodhana when the child Aśwatthāma visited to the palace to have a cup of milk, it looked as though, it was a great courteous act to the brāhmin. But actually the harm, that was done by this, has resulted upto the war, destruction of his father Droṇāchārya, killing of Dṛṣṭadyumna by Aśwatthāma etc. etc.

How much black heart was that Kali Duryodhana can be imagined by the devotees of Śrīmad Āchārya, when one reads Mahābhārata Tātparya Nirṇaya. Outwardly the act seems to be one of normal character of sympathetic one; but has very great damage in the end.

खलः प्रकृत्या खलु गूढवृत्तिः— Śrī Vādirāja Mahān is too great, in bringing out each and every basic truth to the devotees in such a lucid and simple manner.

Another best example, that one can see, is the case of Mārīcha.

Śrīmad Āchārya states in Tātparya Nirṇaya as 5/32 :

स प्राप्य हैममृगतां बहुरत्नचित्रः

सीतासमीप उरुधा विचचार शीघ्रम् ।

निर्दोषनित्यवरसंविदपि स्म देवी

रक्षोवधाय जनमोहकृते तथाऽह ॥ २२ ॥

This Mārīcha appeared and went here and there before Sītā Devi, in the form of golden deer with rubbies, pearls etc.

over his body in a most attractive form. Anyone who sees the deer would be totally attracted and would desire to have the same.

Sītā Devi also acted as though she was desirous of having the deer for Her, knowing the heart of Śrī Rāmachandra.

Here the point is that Mārīcha appeared as golden deer attractive for outward appearance but had the worst sinful heart in the mind.

Similarly his uttering the name of 'Lakshmaṇa' while dying out of Śrī Rama's arrow, is not out of devotion for Lakshmaṇa, or as the devotee of Śrī Rāma. But he had in his mind that Lakshmaṇa should leave the house where he was standing and serving Sītā Devi as a security guard. That Lakshmaṇa should leave and start in search of Śrī Rāma, so that Rāvaṇa can start his most wicked job. So even uttering the name of Paramātmā, or His devotees, may look as pious or religious or sacred, but the criteria or the deciding factor is that, with **which intention** (अनुसन्धान) the same was uttered or pronounced, is the basic root to test the situation.

पतत्रिणां पत्रफलाशनानां वनेऽतिरम्ये वसतां सतां च ।

निरागसां द्रोहमहो व्यधायस्तमुग्रनामार्हचरित्रमूढे ॥ १३ ॥

रम्ये = मनोहरे, वने = वृन्दावने, वसतां = निवसतां, पत्रफलानि एव अशनं येषां तेषां, अत एव निरागसां = निरपराधिनां, पतत्रिणां = पक्षिणां सतां च यः वृक्षरूपी दैत्यः द्रोहम् = अपकारं व्यधात् व्यतनोत् ।

This devil did harm to the innocent birds and virtuous people, who lived upon leaves and fruits.

अहो निरपराधिषु अपकारकरणं आश्चर्यम् ।

It is really a wonder, that harm is done to innocent people, who have not done any harm to the tree or to others.

अत एव तं दैत्यम् उग्रनामार्हचरित्रम् ।

That is why, the daitya is called by the name 'Ugra' and that name is suitable to him.

उग्र इति यन्नाम तस्य अर्हं = योग्यं चरित्रं = व्यापारो यस्य सः तम् ऊहे = प्रतर्के ।

अनेन अस्य दैत्यस्य उग्रनामकत्वं ध्वन्यते ।

Śrī Vādirāja Mahān infers that the reason for the daitya to be called as 'Ugra' is only due to this factor.

For a name to denote, a particular object, the possession of the particular attributes denoted by the śabda to be present in that person. This is called 'शब्दप्रवृत्तिनिमित्तः' – The reason for the śabda to denote him / or the object.

So the Śabda 'Ugra' was most appropriate to that asura; since he had all ugly and cruel qualities in him.

Śrī Kṛṣṇa uprooted that poisonous tree. By this Śrī Kṛṣṇa also removed the tree of fatigue to the sages in concentration on Him. (Which means Śrī Kṛṣṇa did anugraha to them.)

Out of the poisonous tree plucked out, He killed easily the wicked rogues who had taken the shape of cows.

प्रभोः = समर्थस्य श्रीकृष्णस्य, एकाऽपि क्रिया उरुकार्यसाधिका ।

For the capable Śrī Kṛṣṇa, even by one single act, does many many other activities beneficial to sātivic souls.

विषवृक्षोत्पाटनं सतां श्रमनिर्हरणं गोरूपासुरवधश्चेति बहुकार्य-साधिका ।

This single act of plucking the poisonous tree results in many, many useful deeds as its effect.

(i) The Ugrāsura is killed.

(ii) Sādhus were relieved of their exhaustion due to meditation.

(iii) Many cows, calves were killed by that tree, who were really asuras, who had come in that rūpa.

Each Act of God will have many many effects which none can gauge fully. This Act of God is an example for such Tatwa.

प्रासङ्गिकं समाप्य पुनः निदाघं वर्णयति ।

Śrī Vādirāja Mahān, after having described about Ugrā-sura's story which come relevant in the middle, again proceeds with the description of Summer season.

- (1) ईशः = शिवः निदाघोत्थभयादिव धर्मभयादिव गङ्गां सुरनिम्नगां बिभर्ति ।

Lord Śiva is having Gaṅges on his head and this is due to the fact, that Sun-stroke may attack at any time, by this, the fierce heat of summer is described.

- (2) स रमापतिः = लक्ष्मीपतिः समुद्रे शेते ।

Śrī Viṣṇu, Husband of Mahālakṣmī took bed in the ocean (not able to bear the heat)

- (3) चतुर्मुखः पङ्कजविष्टः बभूव ।

Chaturmukha Brahma seated on the lotus flower to cool himself, from the heat.

तं निदाघम् अन्यः = शिवाद्यतिरिक्तः कः पुमान् विषहेत सोढुं शक्नुयात् । न कोऽपीत्यर्थः ।

That heat, who else other than Lord Śiva, would be able to bear or tolerate. The answer is none can bear with it.

**Note :**

This śloka is the best example to show that great Mahāns like Śrī Vādirāja Mahān will not waste by merely describing the heat of the Summer, when a verse is composed about it. Devotees can appreciate that the great author brings to our mind, about Paramātmā Śrī Viṣṇu, Śrī Chaturmukha Brahma and Śrī Śiva while doing so. This is the signal trade mark of such great pious souls. For each and everything, their concentration will be centred on God only or about His servants. Śrī Vādirāja Mahān, is a simply marvellous beauty.

Śrī Kṛṣṇa removed the heat caused-by the Summer season to the people of Bṛndāvan by His moon-like Face. He also removed such heat by His glances wet with nectar which were seen by them.

Śrī Vādirāja Mahān is a great Paṇḍit in bringing out several aspects of Bhagavat Tatwa by few words : मुखचन्द्रेण —

- (i) By that, he indicates that Śrī Kṛṣṇa took birth in the kula of Chandra.
- (ii) His face was most attractive and beautiful.

त्कुम्भाभाङ्गयुजोऽपरेऽपि बहवो नीलां मुखस्य प्रभाम् ॥ २० ॥

सः शौरिः सप्त वृषान् उक्ष्णः । जित्वा = निगृह्य, कुम्भकसम्भवां = कुम्भको नाम कश्चन गोपालः, तत्सम्भवां = तत्पुत्री, स्वीयां नीलां = नीलानाम्नी स्त्रियं अलभत ।

Śrī Kṛṣṇa subdued the seven bulls and then reached Nīlā who is the daughter of Kumbhaka, a cowherd. Śrī Kṛṣṇa is the grandson of Śūrasena and so referred to as 'Souri'.

That Kumbhaka is the brother of Yaśodā is clarified by Śrīmad Āchārya in Tātparya Nirṇaya.

Śrī Vādirāja Mahān describes as :

सः च नीलापिता कुम्भकः अपि सप्तधातून् त्वक् (१), चर्म (२), मांस (३), रुधिर (४), मेदो (५), मज्जा (६) अस्थि (७) आख्यानं कुम्भकबलात् = कुम्भाख्यप्राणायामबलात्, निगृह्य = प्राणायामबलेन सप्त-धात्वात्मकशरीरे अनास्थां सम्पाद्येत्यर्थः ।

That cowherd Kumbhaka, a virtuous person controlled the seven minerals namely skin, flesh, blood etc. in the body, by severely adopting the process of 'Prāṇāyāma' and controlled the breaths and meditated upon Śrī Kṛṣṇa.

नीलमणिभिः = इन्द्रनीलरत्नैः, नीलां = श्यामां, तस्य = कृष्णस्य, पुरी = वैकुण्ठनगरी, करे = हस्ते, अलभत । श्रीकृष्णाय कन्यादानपुण्येन कुम्भ-कस्य मोक्षः करस्थः जातः इत्यर्थः ।

Then the cowherd Kumbhaka attained Vaikunṭha which is blue on account of blue precious stones imbedded there. By submitting his daughter Nīlā at the lotus pādas of Lord Śrī Kṛṣṇa, the cowherd Kumbhaka made his life fruitful and worth of it, is the meaning here.

अपरे बहवः नीलाशयागता राजानश्च शृङ्गप्रहारैः वृषाणां शृङ्गाभिघातैः द्रवत्कुम्भानां द्रवद्वटानां आभेव आभा येषां तैः अङ्गैः गात्रै युजाः युक्ताः सन्तः, शृङ्गाभिघातेन स्रवद्रक्ताङ्गा इत्यर्थः ।

Many kings who were desirous of obtaining the hands of Nīlā obtained the black-blue lustre on their faces with their bodies, like oozing pots stained with blood by the striking blows of the horns of the seven bulls.

नीलां मेचकां मुखस्य प्रभां कान्तिम् अलभन्त ।

Śrī Vādirāja Mahān describes, all the three :

(i) Śrī Kṛṣṇa

(ii) Kumbhaka Yādava

(iii) Other kings who competed,

all the three obtained Nīlā. How :

(1) कृष्णः नीलां स्त्रियं — Śrī Kṛṣṇa obtained the woman Nīlā.

(2) कुंभकः नीलां पुरीम् — Kumbhaka obtained the city-Vaikunṭha of Nīlā colour.

(3) अन्ये नीलां मुखकान्तिं — The other kings obtained their faces as Nīlā — black due to the hitting of the 7 bulls.

इति त्रयाणां अपि नीलाप्राप्तिः अभूत् इति भावः ।

Śrīmad Āchārya describes the marriage of Nīlā in Tātpara Nirṇaya in 13-48 and 13-49 as :

सप्तो क्षणोऽतिबलवीर्ययतानदम्यान्  
सर्वैर्गिरीशवरतोदितिजप्रधानान् ।

हत्वा सुतामलभदाशु विभुर्यशोदा-

भ्रातुः स कुंभकसमाह्वयिनोऽपि नीलम् ॥ ४८ ॥

Those most capable Lord Śrī Kṛṣṇa killed the seven bulls. They were very very strong and mighty and were blessed with the boons of Śiva also. None could control them. They were supreme daityas who have come in that form. Yaśodā had a

brother called 'Kumbhaka'. His daughter was 'Nīlā'. Lord Śrī Kṛṣṇa married that 'Nīlā'.

या पूर्वजन्मनि तपः प्रथमैव भार्या  
भूयासमित्य चरदस्य हि संगमो मे ।  
स्यात्कृष्णजन्मनि समस्तवरांगनाभ्यः  
पूर्वं त्विति स्म तदिमां प्रथमं स आप ॥ ४९ ॥

This Nīlā Devi did tapas in the earlier birth so that she could become the first wife of Lord Śrī Kṛṣṇa. Paramātmā should marry her first, before He married other sacred women.

Hence Lord Śrī Kṛṣṇa married Nīlā first, before He married Rukmiṇi and Satyabhāma and others.

Then after the asura who come in the form of a poisonous tree, another daitya having the rūpa of a donkey reached the place Bṛndāvan which is the property of Śrī Kṛṣṇa.

जन्तून् = प्राणिनः, जघान, बत खेदे ।

That daitya as donkey started killing the animal which were innocent, at Bṛndāvan.

तादृशः = तथाविधः, मुकुन्दयोग्यवनदूषक इत्यर्थः ।

By this heinous act, that asura in the form of an donkey, became the subject of censure of Mukunda's Bṛndāvan.

असौ = दैत्यः, प्रकृत्या = स्वरूपेण, खरः रासभ इति मम प्रतर्कः = ऊहः ।

Śrī Vādirāja Mahān states that it is his guess work, that the daitya by nature should be an ass. Why it is so ?

This is because :

अत्यन्त-अविवेकिनः लोके रासभत्वेन व्यवहारात् प्रकृत्या खरः इति उक्तम् ।

In the world, a person who acts in a most indecent manner and without practical knowledge is called as an ass. This daitya was exactly behaving so, in Bṛndāvan.

क्षुधया बुभुक्षया अतिलोलाः = अधिकतृष्णाः, गोपबालाः अच्युतेन = कृष्णेन सह तत्त्वराक्रान्तवनं अभिययुः ।

Due to utmost hunger and thirst, the cowherd boys approached the forest, where the daitya, Khara was staying. They all went along with Achyuta — Śrī Kṛṣṇa there.

क्षुत्परीतानां वनस्थखरनाशेन कथं तत्परिहारः इत्यत आह ।

The cowherd boys who were so thirsty and hunger how can they subside the same, by the destruction of the daitya, Khara, there ?

तथाहि ।

It is so.

For the Sātwic souls, what else is there than the destruction of daityas, to quench their hunger and thirst.

Śrī Vādirāja Mahān by this, highlights the pious and virtuous nature of the cowherd boys.

सतां मनस्तुतिकरं किं अस्ति ?

Always sātwwic souls pray the Lord to destroy the wicked daityas so that the sacred sātwwic souls can live peacefully on the Earth and work out for their salvation. In all the Purāṇas, we can find this dictum. For example sage Viśwāmitra came to the King Daśaratha and wanted Śrī Rāmachandra Mahāprabhu to be taken to the forest for the destruction of various daityas like Tāṭaka, Subāhu and others, who were always disturbing and killing the innocent sātwwic souls. For the Sage Viśwāmitra, the hunger and thirst were quenched by the destruction of these heinous souls by the arrows of Mahāprabhu Śrī Rāmachandra.

अथ = श्रीकृष्णगमनानन्तरम्, असुरवर्गवर्यः असुरश्रेष्ठो धेनुक आस-  
साद युद्धार्थं श्रीकृष्णमगमत् ।

Then after Śrī Kṛṣṇa reaching the concerned forest along with cowherd boys, that Dhenukāsura who was the superior and best of the daityas, approached towards the Lord Śrī Kṛṣṇa, for a battle.

बलाढ्यः = बलसम्पन्नः, बलश्च बलभद्रश्च निजध्वजाः निजध्वज-  
जातीयाः = क्षमाजाः तालवृक्षाः बलस्य तालध्वजत्वादिति भावः ।

But at that time, Balarāma, who had strength and might and who had palm tree in his flag proceeded towards that daitya.

Why Balarāma approached the daitya and did sevā to Śrī Kṛṣṇa, is explained by Śrī Vādiraja Mahān as :

तालवृक्षाणां समाजेन = समूहेन राजत् शोभमानं वनं = तालवनं  
तदाक्रान्तं = धेनुकाक्रान्तम् ईर्ष्यमाण इव तं धेनुकं प्रत्यगमत् प्रतिययौ ।

Since the forest was shining with splendour with the rows of palm trees, and this was illegally occupied by the daitya and who was creating havoc to all, including the palm trees and since this palm tree was the mark of Balarāma's flag, naturally he proceeded towards that daitya.

स्वध्वजछत्रादीनां सपत्नाक्रमणोपेक्षा शूराणामयशस्करीति भावेन इव  
बलरामः स्वयं युद्धार्थं अगमत् इति उत्प्रेक्षा ।

Śrī Vādirāja Mahān explains the act of Balarāma's proceeding towards that Dhenukāsura as under.

When some challenges the flag, Umbrella, and other marks of a warrior, then naturally that soldier, would consider as defame to him and would start for the battle to save his honour and destroy. This is exactly was done by Balarāma, who had palm tree as his flag and when palm trees were started to be destroyed by that daitya. The imagination and the line of approach of Śrī Vādirāja Mahān is too great and too sweet and sātivic souls would be melted by his works by devotion.

Then the wicked Dhenuka who had lot of strength and who was in disguise had to reveal his real swarūpa and he did so also.

खलः = दुष्टः, सः = धेनुकः, निजपार्ष्णिपद्भ्यां, तं = बलभद्रं, प्रताडयन्, तौ = पादौ, गाढं = दृढं, प्रगृह्य

Then that wicked daitya, Dhenuka started hitting Balarāma by his two hind legs. (backside two legs). Balarāma easily caught hold off, those two legs.

उत्क्षिपतः बलस्य सहायः अनुकूलः अभवत् अभिमुख्येन आगमने

The procedure adopted by Dhenuka was natural to the ass caln, but it became very easy and handy, to the strong Balarāma, to catch hold of them and throwing him up by holding those two legs tightly.

Śrīmad Āchārya states in Mahābhārata Tātparya Nirṇaya in 13-51 as :

तत्राथ कृष्णमवदन्सबलं वयस्याः

Śrī Kṛṣṇa was with Balarāma in Gokula. Some residents requested Śrī Kṛṣṇa to get ripened Palmyra fruits.

(This request is not mainly to get palmyra fruits but to destroy the asura-daitya Dhenuka who was residing in the forest. The Gopālakas are sātvic souls सतां इति)

(Further destruction of a daitya is usually done by the Lord only after prayers are submitted by sātvic souls).

Like this, when they made the request, Lord Śrī Kṛṣṇa, along with Balarāma entered the palmyra grove which was guarded by 'Dhenukāsura' in the form of an ass. Gopālakas, due to fear of that daitya, could not enter that grove.

सः = बलभद्रः, सतां = सज्जनानां, विपक्षं शत्रुं तं धेनुकं उत्क्षिप्य =  
 उन्नमय्य, तालमहीरुहाग्रे = तालवृक्षोपरि विष्वक् सर्वतः फलैरालम्बिनि अव-  
 संसिनि पादपाग्रे = वृक्षाग्रे, उपलं = पाषाणं, धृत्वा, आत्तलीलः = आत्ता  
 उपात्ता लीला येन सः तथा, बाल इव, प्रेषयामास = प्रेषितवान् ॥ २५ ॥

Then Balarāma lifted that daitya Dhenukāsura, the enemy  
 of the sātvic souls and threw him on the top of the palmyra tree.

He did like a sporting boy throwing a stone on the tree  
 laden with fruits all around.

बालः इव आत्तलीलः— Without efforts easily and without any  
 strain, Balarāma threw high that daitya in the air and  
 made him to fall on the palmyra tree. This shows the  
 strength of Balarāma is too vast and in the following,  
 the same is further elucidated.

उपलं धृत्वा— Just like a stone held. This means that the asura  
 'Dhenuka' was like a Jaḍa and not having knowledge.  
 He was brutish and a wicked fool and was like a stone  
 in effect.

Śrīmad Āchārya in Tātparyā Nirṇaya states in 13-52 as :

विघ्नेशतो वरमवाप्य सुदुष्टदैत्यो

दीर्घायुरुत्तमबलः कदनप्रियोऽभूत् ।

नित्योद्धतस्स उत राममवेक्ष्य ताल-

॥ ५२ ॥

This wicked and cruel daitya, by name Dhenukāsura had the boon of Vināyaka. By this boon, he had

- (i) Long life
- (ii) Supreme strength
- (iii) Very much interested in quarrels.

That haughty Dhenukāsura saw Balarāma getting the ripened fruits from his grove of palmyra trees. Seeing this, he came running fast towards Balarāma.

अथ = अनन्तरं, गुरुतमतनुः = स्थूलशरीरः, व्यसुर्विगतप्राणो दैत्यः  
धेनुकः निपतन्, कांश्चित् स्वांग्रिपानेव स्वीयवृक्षानेव उच्चैः पातयामास ।

Then that daitya, Dhenukāsura fell down dead with a very huge body causing his own trees to fall down.

ते वृक्षाः हरिपदविमुखानां = श्रीविष्णुद्वेषिणां, पोषणस्य फलपुष्पादिना  
कृतभरणस्य उचितं = अर्हं, फलं, तैः = श्रीविष्णुपदविमुखैः सह, अलं =  
सम्यक्, अलभिषत = अलभन्त, इति, अस्मदूहः = अस्मत्प्रतर्कः इति ।

Śrī Vādirāja Mahān states the reason for the palmyra trees to fall down, due to the impact of the daitya, as under :

He says that it is his guess work, that those trees obtained the proper, fruit/result for having nourished the hater of Viṣṇu (namely Dhenukāsura) along with them.

श्रीहरिविमुखपोषकाणां तैः सह पातः युक्तः इति भावः ।

Falling of trees, is also justified that they encouraged or gave shelter or kept quiet to the hater of Viṣṇu, and so as a consequence, they have to fall down only.

Śrīmad Āchārya states in Tātparya in 13-53 as :

तस्य प्रहारमभिकांक्षत आशु पृष्ट-  
पादौ प्रगृह्य तृणराजशिरोऽहस्तः ।  
तस्मिन्हते खरतरे खररूपदैत्ये  
सर्वे खराश्च खरतालवनान्तरस्थाः ॥  
प्रापुः खरखरतराः खरराक्षसारिं  
कृष्णं बलेन सहितं निहताश्च तेन ॥ ५३ ॥

Dhenukāsura wanted to kick Balarāma by his back two legs. But Balarāma caught hold of those very same two legs and threw that Asura on the Palmyra tree. By that impact, a branch of that palmyra was broken and Balarāma cut it so.

13-54 :

सर्वान् निहत्य खररूपधरान् स दैत्यान्  
विघ्नेश्वरस्य वरतः अन्यजनैः अवध्यान् ॥ ५४ ॥

Then Śrī Kṛṣṇa killed all the asuras who came in the form of donkeys there to attack Him and who were blessed with the boon of Vināyaka.

धेनुकासुरमथनम्

Killing of Dhenukāśura

मुनिकृताग्रजनाम गुणोचितं विरचयन्निव सानुगधेनुकम् ।

हलधरेण हतं समकारयत्सुरनतो रणतोषितनाकिना ॥ २७ ॥

मुनिकृतअग्रजनाम = मुनिना = गर्गेण कृतं यदग्रजस्य नाम बलभद्र इति नामधेयं, तत् गुणोचितम् = अन्वर्थं विरचयन्निव ।

Then Śrī Kṛṣṇa made His elder brother to justify the name 'Balabhadra' done by the muni Gargāchārya meaningful.

सुरैः प्रणतः श्रीकृष्णः

That Śrī Kṛṣṇa was worshipped by all the devatas.

सानुगधेनुकं = भृत्यसहितं धेनुकासुरम्, रणतोषितनाकिना = रणेन = युद्धेन तोषिताः नाकिनः = देवाः येन सः, तेन, हलधरेण = बलरामेण हतं समकारयत् ।

Śrī Kṛṣṇa saw that the asura Denuka and all his friends who came as the asses were killed by the wielder of the plough of Balarāma, who pleased the gods by his fight with them.

Śrī Vādirāja Mahān means here that Balarāma exhibited vast deeds of strength in him, and so the name of 'Balabhadra' in proper and fitting in him by यौगिकवृत्तिः.

बलकार्यदर्शनिन बलभद्र इति नाम्नः अवैयर्थ्यं इति भावः ।

In respect of the strength of Balarāma, it is stated in Bṛhadāraṇyaka Upanishad Bhāshya, by Śrīmad Āchārya, that the entire Universe is like a small atom on one of the hoods of Śeṣha out of his thousand heads. From this, one can easily visualise the strength of Balarāma — Balabhadra. Who is Śeṣha Bhagawān.

That Śeṣha has the support of Śrī Vāyu in Kūrma Form who in turn has the support of Paramātmā in Kūrma Form.

An authority 'Vaibhava' is cited in that Bhāṣhya :

“बिभर्त्यण्डं हरिः कूर्मस्त्वण्डे चाप्युदकं महत् ।  
उदके कूर्मरूपस्य वायुः पुच्छं समाश्रितः ॥  
वायोः पुच्छं समाश्रित्य शेषस्तु पृथिवीं इमाम् ।  
बिभर्ति तस्यां च जगदिदं सर्वं प्रतिष्ठितम् ॥” इति वैभवे ॥

Śrīmad Āchārya states in Tātparya Nirṇaya 13-57 as :

तस्मिन् हते सुरगणा बलदेवनाम  
रामस्य चक्रुरतितृप्तियुता हरिश्च ॥

Due to this, Balarāma acquired full strength and caught hold of Pralambha (śukla keśa āveśa) who was flying in the skies and killed him by hitting with His Fists. After the death of that asura, all the devatās as well as Śrī Kṛṣṇa felt very happy. They all named him as 'Baladeva'.

प्रलम्बसंहारः

Killing of the Asura Pralamba

ग्रीष्मे भास्वति चापराधकृति सङ्क्रुद्धः प्रलम्बं हली  
लीलायाश्छलतो जघान मुरजिद्वयोमं मयस्यात्मजम् ।  
युक्तं तद्वि मनःप्रियान् जनयिता सन्तर्जयन् स्वान् शिशून्  
तत्प्रान्तस्थशिलादिहस्तलगुडैस्तप्तोऽपि यत्ताडयेत् ॥ २८ ॥

ग्रीष्मे = ग्रीष्म-ऋतौ, भास्वति = सूर्ये च अपराधकृति सति हली = बलः क्रुद्धः सन्, लीलायाः = क्रीडायाः, छलतः = व्याजेन, प्रलम्बं = प्रलम्ब-नामक-असुरं जघान ।

When the Sun and the Summer season committed the crime of scorching, the wielder of plough, Balarāma was upset by that heat and got angry. So he killed the asura called 'Pralamba' under the pretext of play.

मुरजित् = कृष्णः, मयनामकस्य असुरस्य त्वष्टुः आत्मजं = तनूजं  
व्योमं = व्योमनामं असुरं लीलायाः छलतः जघान ।

Śrī Kṛṣṇa, who is the enemy of the asura by name 'Mura', killed Vyoma, the son of Maya by mere play effortlessly.

Śrī Vādirāja Mahān beautifully connects these killings with the Summer heat, in a simple way, which any one sees and experiences in the world.

ननु ग्रीष्मसूर्ययोः अपराधेः असुरयोः अनयोः शिक्षा कथं युज्यत इत्यत  
आह युक्तमिति ।

When the Summer was so hot, and when the Sun has done such a mistake in bringing so much heat, how it is justified in punishing and killing these asuras namely Pralamba and Yoma, by Balarāma and Śrī Kṛṣṇa respectively.

तसोऽपि = स्वशिशुदौर्जन्येन क्रुद्धोऽपि, जनयिता = पिता, मनःप्रियान्  
= इष्टान् स्वान् स्वकीयान् शिशून्, सन्तर्जयन् = भीषयन् हस्तलगुडैः =  
करस्थदण्डैः, तत्प्रान्तस्थशिलादि, तेषां = शिशूनां समीपस्थशिलास्तम्भादि  
वस्तु ताडयेत् ।

A father who is angry with his dear children for their misdeeds, threatens them, but beats only the stone pillar or the wall, near to the children with a stick in hand. That father does not actually beat the children.

By such deeds, the father brings fear in the mind of his dear children. Like this, Śrī Kṛṣṇa and Balarāma by killing and beating

Pralamba and Yoma as a sport, effortlessly, created fear in the mind of the Sun, who was very much scorching with his heat.

यथा लोके पिता स्वसुतादीन् तत्समीपस्थस्तम्भभित्त्यादि प्रताड्य  
भीषयति तद्वदिति भावः । अनेन ग्रीष्मसूर्ययोः स्वकीयत्वं ध्वन्यते ।

By this, Śrī Vādirāja Mahān brings several points :

- (1) Sūrya, is like the son of Śrī Kṛṣṇa and Balarāma which means Sūrya is the devotee of them.
- (2) Those two asuras were near to Śrī Kṛṣṇa and Balarāma and those two were beaten and killed effortlessly without any strain.
- (3) Further those two asuras when compared to Śrī Kṛṣṇa, were like Just stone pillar or a wall and they were like Jaḍas before Him.
- (4) The amount of heat which was unbearable was also brought out nicely when one may loose his balance ordinarily for a common man.
- (5) Killing of those asuras were justified on many many counts, but the connection given by Śrī Vādirāja Mahāprabhu is simply marvellous.

Śrīmad Āchārya in Tātparya Nirṇaya brings a very sacred truth in this context, namely, Balarāma was Paramātmā Himself, at that time while he killed Pralambāsura, because 'Shukla keśa' Āveśa in him was invoked and it was present at that time.

13-56 :

भीतेन रोहिणिसुतेन हरिः स्तुतोऽसौ  
स्वाविष्टतामुपदिदेश बलाभिपूर्त्य ।  
तेनैव पूरितबलोऽम्बरचारिणं तं  
पापं प्रलम्बमुरुमुष्टितं चकार ॥

But Balarāma was afraid on seeing that Pralamba in such fierce form. Then Balarāma did dhyāna of Lord Śrī Kṛṣṇa. Then, in order to help Ādiśeṣha, Śrī Kṛṣṇa brought back the remembrance of “Sukha-keśa Āveśa” in Balarāma and did Anugraha to him.

So Balarāma killing Pralambāsura effortlessly means **actually Paramātmā killing that asura**; but not Balarāma, because, one can find 13.55 :

दैत्यः प्रलम्बः इति कंसविसृष्ट आगात् ।

कृष्णस्य पक्षिषु जयस्त्वथ राममेत्य

पापः पराजित उवाह तं उग्ररूपः ॥

When the gopālakas divided into two groups and started playing the ‘Horseplay’, at that time the asura by name ‘Pralambāsura’ who was sent by Kaṁsa came there. The procedure adopted was that the persons who win in the play should be carried by those who are defeated, like horses, to a particular spot. Then the sinner Pralamba was defeated in the sports and he lifted away Balarāma to a far off place and took his fierce and ugly rūpa.

तदा = अनन्तरं, निदाघः श्रीकृष्णात् पराभवं वीक्ष्य उज्ज्वलन्तं दावानलं

The Summer season had defeat at the hands of Śrī Kṛṣṇa. So it created the blazing forest fire.

जगतां निवासः हरिः = श्रीकृष्णः, तं च = दावाग्निं च, पपौ = पीत-  
वान् ।

Śrī Hari who is the home of the Universe, drank that forest fire also.

‘च’शब्देन पूर्वकृतदावाग्निपानं समुच्चिनोति ।

The śabda ‘Cha’ indicates regarding the forest fire drank earlier.

भावादिति भावः ।

For a person who has no destruction at all of any kind what-so-ever, what is that which is impossible ?

Destruction is of 4 kinds. They are (1) अनित्यत्वं, (2) देहहानिः, (3) दुःखप्राप्तिः and (4) अपूर्णता.

All these four are always absent in Śrī Kṛṣṇa and so where is the doubt about Him. He is not at all subjected to any kind of loss/destruction at any time, at any place, with any one.

वर्षर्तुं वर्णयति ।

Arrival of rainy season and fall of rain is beautifully described by Śrī Vādirāja.

मेघाः, सवर्णस्य = श्यामत्वेन समानवर्णस्य, हरेः = कृष्णस्य, सहायं प्रायः विधातुं इव इति उत्प्रेक्षा ।

The clouds which were dark in colour came there and they saw the Body of Śrī Kṛṣṇa which was also like them. So to create great happiness to Him, all stood there.

परितः = समन्तात्, समेत्य, अङ्गैः = शरीरैः, भास्वन्तं = सूर्यम्, आच्छाद्य,

Those clouds become surrounding there and hid the Sun from the vision.

पयसा = जलेन, निदाघं = धर्म, आच्छाद्य = परिहृत्य, तदीयं = कृष्णसम्बन्धि विश्वं, पुपुषुः = पोषितवन्तः ।

Then those clouds started pouring down water in all the forests where there is connection of Śrī Kṛṣṇa. By their act, they made the forest stout and brought happiness to Śrī Kṛṣṇa and others.

विष्णुपदं = आकाशं, आश्रित्य, अर्थिषु = जलार्थिषु, अम्बु = जलं, यच्छतः = प्रयच्छतः, मेघस्य, जलनायकोऽपि = समुद्रोऽपि, सारथिः अभूत् ।

Varṇa is the charioteer for the clouds, which take support in Viṣṇupada – the sky. They give abundant quantity of water.

अपिपदात् = “जलं नीरे जडे त्रिषु” इत्यभिधानात् । मूर्खः अपि इत्यर्थो व्यज्यते ।

This Varṇa becoming the charioteer is fully justified. This is because whoever takes shelter always at the Lotus Pādas of Mukunda and does help to others, for them who will hesitate to do help.

Like that Varṇa becoming a charioteer to the clouds is no wonder.

मेघस्यापि विष्णुपदार्पितविभवत्वात् जीवनदानेन मनुष्योपकारित्वात् इति भावः ।

These clouds also remain in the sky, which is called as Viṣṇupada. By that they make the life possible for the creatures by rain and do great help for survival.

Śrī Vādirāja Mahān describes that the wind also cooperated at that time, when there was down pour of rain.

लोकस्य = जनस्य, शोकहरवारि = श्रमहरजलम्, अलं = सम्यक्, अभिवर्षतः मेघस्य, अमतोऽपि = शत्रुरपि । वातः = वायुः ।

कामं = यथेष्टं, परोपकृतिषु = परोपकारेषु, लग्न-मनोरथानां = प्राणिनां, शत्रवोऽपि क्षेमङ्करत्वम् उपयान्ति हि ।

In the Jagat, clouds give water and removes the misery of the people. By nature, the wind is against those clouds. Still the wind was co-operating with the clouds in that Brṇḍāvan.

For those who help by nature to others, even enemies would turn to be friends only.

Since the śabda, Payodhara would be applicable both to clouds as well as to the breasts, the author compares in this śloka such clouds to the breasts and extends the comparison further.

The comparison table is made as under :

|                      |   |          |
|----------------------|---|----------|
| Breasts of the women | — | clouds   |
| Their stomach        | — | the sky. |

Their eye sight of attraction — lightning

Their eye brows — Rainbow

Ornaments which create sounds — Thunder

Like this the description is made here.

Lightning will appear in the sky at times and would be very bright.

Rainbow will occupy the front of the sky and clouds would clash and when the rain pours down and at that time the people are fearful.

In the world, when one man gets fear out of a King, then he seeks shelter with another King and tries to clear off his fears.

Like that by one cloud, if people are afraid, then they go to another cloud and take shelter into it.

Due to this rain down pour, the rivers got filled up which is beautifully described by the Mahān :

केवलं पयोबिन्दुः, तत् वितरति = ददति सति सकलसरितां = समस्तनदीनां स्वात्मनश्च स्वस्यापि वृद्धिः आसीत् ।

वर्षाकाले सकलनदीनां समुद्रस्यापि जलाभिवृद्धेः जायमानत्वादिति भावः ।

सरितां पत्नीत्वात् समुद्रस्य पतित्वाच्च सरिदादिवृद्धिरपि स्ववर्ग-वृद्धिरेवेति ।

It is proper in all the rivers, there was increase of water levels.

The sea gave only a little drop of water to the group of clouds.

It is certain that by the gift of even a few drops of water to a highly liberal minded person and that too when that person rested on the Pādas of Lord Śrī Viṣṇu, there would be a hundred fold prosperity in the group of his relatives.

Sea gave few drops of water to the cloud. Cloud is taking shelter in Viṣṇupāda (sky). Then clouds pour plenty of water by way of rain. Then the rivers become full. Rivers are the wives of the sea.

This is the analogy of Mahān Śrī Vādirāja.

अनेन मेघस्वभावः सत्पात्रे दानं च वर्णितं भवति । मन्दाक्रान्ता-वृत्तम् अयं श्लोकः ।

By this, the nature of clouds as well as charities to the deserving souls are described.

In this śloka,

- (i) The wind in the autumnal season which has no flaws and faultless — is compared to the śāstras of Śrī Madhvāchārya which have no faults at all.
- (ii) The wind by its nature spreads the group of qualities of fragrance of the lotuses fit to be enjoyed with — is compared to Śrī Madhva who spreads the qualities of omniscience etc. which are fit to be worshipped by Mahā-lakshmī.

अत्रापि पूर्ववत् श्लोकद्वयस्यैकान्वयः ।

Here also, as in the earlier ślokas, there are two ideas.

पद्मानां = कमलानाम्, आसेव्या = आदरणीया ये गुणाः परिमलाः तेषां ओघस्य = समूहस्य, विस्तृतिं करोतीति पद्मासेव्यगुणौघविस्तृतिकरः ।

अन्यत्र, पद्मया = लक्ष्म्या, सेव्यः = नारायणः, तस्य गुणाः = ज्ञानानन्दादयः, तेषां ओघस्य विस्तृतिकृत् = श्रीमदाचार्यैरेव “एष सर्वज्ञ एष सर्वेश्वर” इत्यादिश्रुतिभिः “ॐ आनन्दमयोऽभ्यासात् ॐ, ॐ अन्तस्तद्धर्मोपदेशात्” इत्यादि सूत्रैः “मय्यनन्तगुणेऽनन्त” इत्यादिस्मृतिभिश्च विष्णोः गुणानां प्रतिपादितत्वादिति भावः ।

In all the works of Śrī Madhva, he has proved with authorities like Śrutis, Smṛtis, Sūtras that Śrī Viṣṇu alone is Sarvottama.

In the Bhāṣhya under the sūtra 1-2-1 :

ॐ सर्वत्र प्रसिद्धोपदेशात् ॐ

he states :

वासुदेवात् परः को नु ब्रह्मशब्दोदितो भवेत् ।

Who other than Śrī Vasudeva is eligible and fit to be called as ‘Brahma’.

(iii) The wind brings the is compared to Śrī Madhva pleasures and joy of the who gladdens the goddess of autumnal season — speech — Saraswati.

(iv) Its worthy advent is is compared to the sastras of welcomed always by the Śrī Madhvacharya which are nodding heads of the appreciated and appaluded by kings who are immersed the king of serpents, with his in pleasures — nodding of hoods.

**वियुक्तनारीमुखपद्मपुञ्जैः महाम्बुजातं शिथिलं वितन्वन् ।  
प्रबोधकल्पं रविमल्पकान्तिं विधाय हेमन्त उपाजगाम ॥ ४० ॥**

हेमन्तर्तुं वर्णयति ।

Now the Hemanta Rtu is explained.

अम्बुजातं = कमलं, वियुक्तनारीमुखपद्मपुञ्जैः = विरहिणीवदनाम्बुज-समूहैः, सह, शिथिलं = क्षीणं वितन्वन् । हिमस्य पद्मदौथिल्यकारित्वादिति भावः ।

The faces of women there lost all their brightness and splendour. Like that the lotuses also lost all their brightness.

प्रबोधकल्पं = ईशदूनः प्रबोधः = प्रबोधकल्पः तं ज्ञानसदृशमित्यर्थः ।  
 रविं = सूर्यम्, अल्पकान्तिं = तनुप्रकाशं, विधाय हिमकाले नीहारावृतत्वेन  
 सूर्यस्याल्पकान्तित्वादिति भावः । हेमन्तः = हेमन्तर्तुः उपाजगाम = प्राप्तवान् ।

This Hemanta Rtu made the splendour of Sūrya to reduce down. This is because of fog being set in.

 व्यथिताङ्गः, सन्, स्वकरैः = स्वकिरणैः, वह्निं, दधानः, अजस्रं = नित्यं,

In winter, the gopi virgin started doing 'Kātyāyāni Vrata' which is described here by Śrī Vādirāja Mahān.

The blessed Gopi virgins were desirous of having Śrī Kṛṣṇa for their husband. They thought that this cold season is indeed the proper time to bring the husband under control. Thinking like this and of His unequalled power commenced the vows of worshipping Durgādevi, in order to have Him.

अनेन श्रीकृष्णः लौकिकबलभ्यो न भवति किन्तु प्रयत्नलभ्य इति सूच्यते ।

अत एव व्रतं = दुर्गापूजानियमं, वितेनुः = चक्रुः ।

Śrī Kṛṣṇa will not be pleased by mere worldly reasons like season, coolness etc. But He can be reached only by śāstric efforts – Śrī Vādirāja Mahān explains like this, the reasons for Kātyāyāni Vrata which were performed by the Gopikā Kanyās to attain Śrī Kṛṣṇa. (Hemanta Rtu is the proper one for such Vrata).

Leaving Devendra and other purushas; as well as Urvaśi and other women, why Durgā Vrata was followed by them. For this Śrī Vādirāja Mahān gives reason as under :

When the Kannikās do pūjā to purushas, then they will feel shy to express their desires before them.

They would like to express such things before women without shyness. So they had chosen Durgā Devi who is the younger sister of Śrī Kṛṣṇa who has the capacity to establish the entire Jagat.

श्रीरमणस्य श्रीकृष्णस्य सहोदरीं स्वसारं नन्दवसुदेवयोर्मतृभेदेऽपि शूराख्यपित्रैक्येन ज्येष्ठकनिष्ठत्वात् नन्दकुमार्यपि दुर्गा श्रीकृष्णस्य सहोदरीति भावः । कृतः विश्वस्य सर्गो यया तां दुर्गामपूजयन् । दुर्गाया विष्णुपत्नीत्वेऽपि श्रीकृष्णावतारे तत्सहजातत्वात् तत्प्रार्थना युक्तेति भावः । कृतविश्वसर्गा-मित्यनेन दुर्गाया मातृत्वात् मातरि स्वाभिलषितकथनं न लज्जाकरमिति द्योत्यते ।

स्वप्रेयसीवैरिवधूः कथं तास्तुष्टाः प्रभुः सोऽपरथा विदध्यात् ॥४४॥

Śrī Vādirāja Mahān here gives another reason for the Gopikā kannikas who did pūjā to Durgā Devi.

Those Gopikā woman desired to have Śrī Kṛṣṇa as their husband and so by Vratas, they did Pūjā to Lakshmi Devi, and made Her happy.

This is correct.

Because Śrī Kṛṣṇa will not marry those who are dear to His wife Lakshmi Devi. So to avoid untoward happenings those Gopikā kannikas did Pūjā to Lakshmi Devi also.

अपरथा लक्ष्मीप्रसादाभावे स प्रभुः श्रीकृष्णः स्वप्रेयसीवैरिवधूः स्वप्रेयस्याः स्वप्राणकान्तायाः लक्ष्म्याः वैरिवधूः सपत्नीः ताः गोपकन्याः तुष्टाः स्वसम्भोगादिना सन्तुष्टाः कथं विदध्यात् । प्रेमास्पदीभूतज्येष्ठपत्न्यनुमतिं विना पत्न्यन्तरप्रतिग्रहस्याशक्यत्वात् इति भावः ।

Mahālakṣmī is dear to Śrī Kṛṣṇa can be seen in the sutras :

Those Kannikās did namaskarams to Mahālakṣmī (Durgā Devi). This is done by them in order to get excuse from Her for the default committed by the kannikās in desiring Śrī Kṛṣṇa.

They placed various flowers at the Lotus Pādas of Mahālakṣmī. This is because, later that Mahālakṣmī shall treat them as Her younger sisters and decorate them with flowers on their heads.

They offered Dhūpa to Her so that let Śrī Kṛṣṇa play with them in water later and make eligible for Dhūpas.

They did Ārchana by Kumkum to Durgā Devi. Because later Let Śrī Kṛṣṇa place Kumkum Tilak on their foreheads, was their desire.

They offered chandan to Mahālakṣmī (Durga Devi) so that later Śrī Kṛṣṇa can embrace them and can give the divine Aprākṛta smell to them.

Śrī Vādirāja Mahān gives an explanation for Śrī Kṛṣṇa having snatched away clothes belonging to gopikā kannikās.

Śrī Kṛṣṇa felt that those who desire for Him should do worship only of Him. There is no meaning in worshipping Mahā-lakṣmī, for whom, these would be competitors. This is not at all proper and healthy. In order to make home this point, Śrī Kṛṣṇa took away the clothes, of those kannikās while they were taking bath at Yamunā. (Their waists were very delicate tender and delicately bent)

Śrī Kṛṣṇa : It is in the middle of you in the waist.

For this Gopikā girls said : If it is so, then why are they not visible to us.

Śrī Kṛṣṇa replied :

Śrī Kṛṣṇa in the company of Gopālaka youths was incharge grazing in the forest cows and calves. At that time, the Gopālaka boys were hit by hunger and thirst. So Śrī Kṛṣṇa sent them to the Yāgaśālā where brāhmin had gathered and were performing Yajñas, and with them to beg for food.

र्दिताऽपि, श्रीकृष्णाय, भोज्यं = अन्नं, देयमिति, विप्रचयं = ब्राह्मणसमूहं,  
ययाचे = याचितवती ।

Those Gopālaka boys were terribly struck by hunger and thirst. Still they begged before those brāhmins to give food for the sake of Śrī Kṛṣṇa only.

Śrī Vādirāja Mahān justifies the action of those boys. Because those who adhere to the Lotus Pādas' path of Śrī Murāri will bear all the troubles that come to them. They will have staunch belief in Him.

They are highly confident about Him that He would protect them and so they would not bother about their sufferings. They

will not also take efforts to protect them. They live by the name of God.

विरागाः = स्वोदरभरणे अनास्थावन्तः, मुररिपोरनुगाः = मुरारिभृत्याः, कदाचिदपि स्वकृते स्वार्थं यत्नं न कुर्युः । हरिभक्ता हि न स्वोदरभरणे प्रयत्नं कुर्वन्ति किन्तु श्रीविष्णुपूजार्थमेव यतन्ते इति भावः ।

Those brāhmins did not give food to Śrī Kṛṣṇa, who is the bestower of Moksha. This they did so, not out of fear of the destruction of their sacrifice,

भृत्यैः ब्रह्मादिभिः सह अश्नाति भुनक्ति । इत्थं आनेन प्रकारेण विदित्वा एव अन्नं न ददुः ।

इति मम प्रतर्कः कर्मवैगुण्यभिया अन्नं न ददुरिति न, किन्तु मखे भृत्यैः सह अश्नाति ।

So Śrī Vādirāja states that he thinks so, that is, the brāhmins did not offer food to Śrī Kṛṣṇa not out of fear about their sacrifice, but Śrī Kṛṣṇa would eat along with His servants.

करस्थां = हस्तस्थितां वितेनुः = कृतवत्यः किल ।

They submitted milk, Pāyasam, ghee, butter etc. with food and other sweets to Śrī Kṛṣṇa. By this sacred act, wives of the brāhmins had Moksha in their hands.

पुंस्त्वेति । पूरुषमौलिभाजां = पुरुषोत्तमभक्तानां, पुंस्त्वेन = पुरुषत्वेन, किं प्रयोजनम् । मुक्तौ पुंस्त्वं न प्रयोजकं, हरिभक्तिरेव प्रयोजिकेत्यर्थः ।

For attaining Mukti, the dharma which is useful is not mere 'Purushatwa', but it is only 'Haribhakti'. For this Tatwa, the examples are the wives of the brāhmins. So for Purushottama's boon, is it necessary that Purushas are to be there ?

विप्रपत्नीकृत-अन्नसमर्पणम्

Submission of food by the wife of the brāhmin

स विप्रपत्न्यर्पितभक्तभुक्त्या विभुः समासक्तमना इवैन्द्रम् ।

अभुङ्क्त भोज्यं गतभीर्गिरीन्द्रवपुः स्वकीयार्पितमप्रतीतः ॥ ५४ ॥

विभुः = समर्थः, अत एव, गतभीः = निगतिन्द्रभयः, गिरीन्द्रः = पर्वत-  
श्रेष्ठ इव वपुर्यस्य स तथोक्तः ।

Śrī Kṛṣṇa was all capable and had all capacity and so he had no fear at all about any one, anything and at any time. He had body like that of Mountain, but was invisible.

अप्रतीतः अदृश्यः स श्रीकृष्णः विप्रपत्न्यर्पितं यद्भक्तमन्नं तस्य भुक्त्या भोजनेन समासक्तमनाः संसक्तमना इव वैकुण्ठे प्राकृतान्नभोजनस्य कदा-  
प्यसत्त्वेन अपूर्वरसविशेषसल्लग्नचित्त इवेत्यर्थः ।

Śrī Kṛṣṇa did not give to Devendra and He ate all the food offered by His own herdmen in the form of Mountain.

स्वकीयैर्गोपैरर्पितमैन्द्रम् इन्द्राय दीयमानं भोज्यम् अभुङ्क्त । इन्द्राय यागं त्याजयित्वा तदर्थं कल्पितं बलिं स्वयं जग्रासेत्यर्थः ।

Śrī Kṛṣṇa took the food offered by the women of the brāhmins. He also by another Rūpa as Mountain ate all the food intended for Indra.

प्रदक्षिणीकृत्य गिरिं स्ववर्गेर्मुदाऽर्पितं पर्वतरूपधारी ।

बलिं च कृष्णः शतमन्युमन्युविवर्धनोऽसावुरीचकार ॥ ५५ ॥

शतं मन्यवः क्रतवो यस्य सः शतमन्युः इन्द्रः, तस्य मन्युं कोपं विवर्धयतीति = शतमन्युमन्युविवर्धनः ।

Devendra was known for his anger and made him to get more anger, thereby the name for him as 'Śatamanyu' became very appropriate.

असौ = श्रीकृष्णः, गिरिं = गोवर्धनपर्वतं, प्रदक्षिणीकृत्य, पर्वतरूपधारी सन्, स्ववर्गेः = स्वात्मीयैः, मुदा = सन्तोषेण, अर्पितं बलिं = पूजोपहारं, उररीचकार = अङ्गीकृतवान् ।

Paramātmā remained in Govardhana Parvata in one Rūpa and by another Rūpa, He circulated the Mountain along with His cowherd men and others.

उपेन्द्ररूपेण अस्मत्पक्षपाती कृष्णः । “बलिः पूजोपहारे च करे दैत्यान्तरेऽपि च” इत्यभिधानात् ।

Śrī Kṛṣṇa, Paramātmā took avatar as Upendra, younger brother of Indra. Śrī Kṛṣṇa now aided Bali who was an enemy to Indra. So the anger of Indra was enhanced to the activities of Śrī Kṛṣṇa.

इदानीं अस्मद्विरोधिनं बल्याख्यदैत्यं अङ्गीकरोति पर्वतश्च मानयतीति

सहस्रनेत्रोऽपि स कृष्णसत्त्वं मनागविज्ञाय दिदेश मेघान् ।  
प्रवर्षणार्थं निगमैकवेद्ये किमक्षिबाहुल्यमुपैति कृत्यम् ॥ ५६ ॥

स इन्द्रः सहस्राणि नेत्राणि यस्य सः, तथोक्तोऽपि दशनि बहुसाधन-  
वानपीत्यर्थः ।

Lord Devendra had 1000 eyes and so naturally he is more  
capable in seeing.

श्रीकृष्णस्य सत्त्वं = सामर्थ्यं, मनाक् = स्वल्पं, अविज्ञाय = अज्ञात्वा,  
प्रवर्षणार्थं = प्रकृष्टवृष्ट्यर्थं, मेघान्, दिदेश = आज्ञापयामास ।

Lord Devendra understood the mahimās of Śrī Kṛṣṇa even  
to a small extent. so he ordered the clouds.

निगमैकवेद्ये = वेदैकबोध्ये श्रीकृष्णे, अक्षिबाहुल्यं = नेत्रबहुत्वं, किङ्कृत्यं  
किम्प्रयोजनमुपैति ? किमपि नोपैतीत्यर्थः ।

The meghas rained cats and dogs. Will the possession of  
too many eyes be useful in the case of Śrī Kṛṣṇa ? That Śrī Kṛṣṇa  
is known by Vedas. अखिलवेदैकवेद्यो हरिः is the most popular dictum.  
Śrī Hari cannot be known by perception, or by inference. So He  
can be known to a very very small extent by the Vedas and so  
having 1000 eyes in this aspect is of no use. Śruti states :

“नेन्द्रियाणि नानुमानं वेदा ह्येवैनं वेदयन्ती”ति श्रुतेः ।

Pippalāda Śruti states, that indriyas (perception), or inference is not of any helpful in knowing, but only sadāgamas have to be resorted to. Śrī Vādirāja Mahān brings this truth in a splendid way as stated above.

शतक्रतौ वर्षति वासुदेवो गिरिं समुद्धृत्य बभूव तूष्णीम् ।

जिहीर्षुभिः स्वासमशत्रुशौर्यं तदाद्यवैर्युद्धरणं हि कार्यम् ॥ ५७ ॥

वासुदेवः = श्रीकृष्णः, शतक्रतौ = इन्द्रे, वर्षति सति, गिरिं = गोवर्धनं, समुद्धृत्य तूष्णीं बभूव ।

Śrī Kṛṣṇa, son of Vasudeva lifted Govardhana Mountain by His Hand when Devendra who had performed one hundred sacrifices, poured limitlessly rain at Gokula to destroy the cows, cowherds and gopikās, Nandagopa and others.

स्वासमशत्रुशौर्यं = स्वासदृशवैरिसामर्थ्यं, जिहीर्षुभिः = परिहर्तु-  
मिच्छुभिः, तदाद्यवैर्युद्धरणं = तस्य शत्रोराद्यः प्राथमिको यो वैरी तस्योद्धरणं,  
धनादिदानेनोन्नमनं कार्यं हि ।

Śrī Vādirāja Mahān beautifully represents the act of Bhagawān holding Govardhana Mountain. When there is battle, one should fight on equal person. Devendra being far far infinite times inferior to Śrī Kṛṣṇa, Śrī Kṛṣṇa did not mind about him. Further for them, the reply would be highlight about their enemies.

नाल्पशत्रुर्महाशूरेण गन्तव्य इति, महाशूरस्य = श्रीकृष्णस्य, अल्पसुरेन्द्रं प्रति गमनादेहीनत्वात् । इन्द्रस्य शत्रुं = पर्वतं, समुद्धृत्य तूष्णीभावो युक्त एवेत्यर्थः ।

Like that Śrī Kṛṣṇa lifted the mountain by His Hand effortlessly. Then He showed the Mountain to Devendra, and for it, Devendra was an enemy.

मयीश्वरे भूभृति जागरूके स्वयं च भूभृत्किल बुद्धिशून्यः ।

स इत्यमर्षादिव भूधरेन्द्रं करेण भूमेरुदबीभिदत्तम् ॥ ५८ ॥

स = कृष्णः, ईश्वरे = समर्थे, मयि भूभृति = कूर्मादिरूपेण भूधारिणि, जागरूके सति = जाग्रति सति, बुद्धिशून्यः = विवेकरहितः, गोवर्धनपर्वतः स्वयश्च भूभृत् किल ।

Paramātmā Śrī Kṛṣṇa is the main and only support of all the jagat. There is none before Me to say the supporter of the jagat.

To declare so, it appeared that Śrī Kṛṣṇa lifted that Govardhana Mountain. Śrī Kṛṣṇa is the only King but not the mountain called as the King.

यदि त्वमपि भूभृत् तर्हि त्वदुन्मूलने भूमेः पातः स्यादिति, अमर्षादिव = कोपादिव, भूधरेन्द्रं = पर्वतश्चेष्टं तं गोवर्धनं, करेण = हस्तेन, भूमेः सकाशात्, उदबीभिदत्त = भेदयामास ।

Śrī Kṛṣṇa got anger that Mountain being a Jaḍa an insentient object can never be called as a King and hence he plucked the same and held it in His Hand, it appeared so.

Śrī Vādirāja Mahān brings the crux of the sūtra 1-3-10  
ॐ अक्षरं अंबरान्तधृतेः ॐ in this, further śloka under Viṣṇu Sahasra-  
nāma, Bhagawān is called as भारभृत् which explains :

प्राणो मुख्यवायुः कूर्मरूपेण जगद्धारकः सन्नपि आस्ते । स एष  
कूर्मरूपेण वायुरण्डोदके स्थितः । विष्णुना कूर्मरूपेण धारितोऽनन्तधारकः ।

Mukhya Prāṇa as Kūrma is the support of the whole  
Universe and he is fully and exclusively supported by Para-  
mātmā in Kūrma devatā below him.

|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 47.          | By the Music of Lord Śrī Kṛṣṇa, the cows, sages, and gopikās all became unconscious. He made all to bow down and established that the entire Universe is under His control.     |
| 48.          | Śrī Kṛṣṇa played on the flute and gave divine nectar to it. In that flute Rukmiṇī was present in one form.                                                                      |
| 49.          | The flute music by Śrī Kṛṣṇa removes hatred in animals such as cows, and tigers, serpents and mongoose, cats and rats – which is extra-ordinary and all will be immersed in it. |
| 50.          | Śrī Kṛṣṇa is all yielding cow to gopikās. Śrī Kṛṣṇa has a beautiful garland of sylan flowers around His neck.                                                                   |
| 51.          | Gopikās though bit haughty due to their beauties, were struck by the fine arrows of cupid.                                                                                      |

| 53.          | Another gopikā applied collyrium to her eyes, another gopikā decorated her with ornaments on her body to have darśan of Śrī Kṛṣṇa.                                              |
| 54.          | Śrī Kṛṣṇa gave plenty of bliss to the gopikās.                                                                                                                                  |
| 55.          | He ordered them to go back to Gokula and do sevā to parents, husband etc. which would yield the four objects of human life.                                                     |
| 56.          | Gopikās reported that separation from Śrī Kṛṣṇa will result in the end of their lives.                                                                                          |

|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 57.          | Gopikās submit that service to husband, parents etc. is a means to reach the Lotus pādas of Śrī Kṛṣṇa. Then their not returning back to home has no meaning.                   |
| 58.          | Gopikās submitted that they serve Śrī Kṛṣṇa, as father, mother, husband in all capacities because He is the ultimate Person to be reached.                                     |
| 59.          | Gopikās contended that Śrī Kṛṣṇa is actually the Father of the World, Mother of the World etc.                                                                                 |
| 60.          | Gopikās submitted that Śrī Kṛṣṇa is an Ocean of handsomeness. Any other person they looked as only as the destroyer of happiness.                                              |
| 61.          | Gopikās submitted that Śrī Kṛṣṇa is the Fit Person to enjoy them.                                                                                                              |

| 63.          | Gopikās submit that they have a firm mind in Śrī Viṣṇu's dharma, so they know what is beneficial and what is not so.                                                           |
| 64.          | Śrī Kṛṣṇa was much pleased by the words of gopikās and gives them happiness.                                                                                                   |
| 65.          | When Śrī Kṛṣṇa disappeared, gopikās started searching for Him in the forests.                                                                                                  |
| 66.          | Gopikās were experts in charming speech, sang lovely about Śrī Kṛṣṇa.                                                                                                          |

भिन्नभागो उन्मूलितप्रदेशो यस्य तम् ।

Govardhana Mountain was separated by the heavy down  
pour of rains due to Devendra. The separated part of Govardhana  
Mountain was lifted by the Hand of Śrī Kṛṣṇa, who is the besto-  
wer of Moksha. (ॐ तन्निष्ठस्य मोक्षोपदेशात् ॐ ॥ १-१-७ ॥)

That Mountain was hidden by the flow of water poured by the mass of clouds goaded by Devendra.

मुकुन्दहस्तेन उद्धृतं उन्मूल्य धृतमपि तं अद्रिराजं = गोवर्धनम् अनुद्धृतं  
= अनुन्मूलितं व्यजानन् विदुः ।

The cowherds thought that the King of the Mountains – Govardhana Mountain was not at all lifted by Lord Śrī Kṛṣṇa.

वृष्टिबाहुल्यात् आविच्छिन्नपयःप्रवाहैः खंडद्वयान्तरस्य आच्छादनादिति भावः ।

The down pour of rain was so heavy and was continuous and floods were so heavy, that the mountain which was cut off was hidden in the waters.

**Note :** This is called भ्रान्तिरलङ्कारः — This is called illusory Alaṅkāra. Because the cowherds were under illusion that the Mountain was not actually shifted by Śrī Kṛṣṇa, when as a matter of fact, it was done so.

भ्रान्तिः = विपर्ययज्ञानं इत्युक्तत्वात् इति ।

तमुं तपः कृतपदस्य पदं प्रपेदे ।

शर्मान्यजन्मनि सिषाधयिषोर्महीध्रो

हन्मध्यलब्धपरमस्य तदोपमायाः ॥ २ ॥

Śrī Vādirāja Mahān compares here Govardhana Mountain to an acetic – sanyāsin.

महीध्रः = पर्वतः, तदा = वर्षणकाले, तपः तप्तुं, कृतपदस्य, अन्यजन्मनि  
 = जन्मान्तरे, शर्म = सुखं, सिसाधयिषोः = साधयितुं इच्छोः, हन्मध्यलब्ध-  
 परमस्य = परमात्मध्यानयुक्तस्य इत्यर्थः ॥

At the time of such heavy rain fall, that Govardhana Mountain obtained the power of an ascetic who has the power to endure the rainfall.

Further the ṛshi obtained a place for performing penance in the midst of the waters.

एतादृशस्य कस्यचित् ऋषेः उपमायाः सादृशस्य पदं स्थानं प्रपेदे ।

That ṛshi gained Paramātmā in the middle of his heart. He was desirous of achieving bliss in the next birth.

जलमध्यस्थितत्वात् = = The mountain was in the middle of waters, the ṛshi stands in the middle of waters during severe tapas.

शिरसि पतद्दृष्टित्वात् = = For the mountain, at the top rain was pouring down. The ṛshi also gets waters on the head when he stands during such rainy season study in his meditation.

स्वान्तर्गतकृष्णत्वात् च = The mountain had Śrī Kṛṣṇa in it, in the middle. Ṛshi also will have Paramātmā Śrī Kṛṣṇa in the middle of the heart during meditation.

That is why Śrīmad Ācārya has said in Yati Praṇava Kalpa, as अतः विष्णोः सर्वोत्तमत्वं सर्वदा प्रतिपादय । as the mandatory duty for all sanyāsins. For others, it should be understood as,

अतः विष्णोः सर्वोत्तमत्वमेव महातात्पर्यं सर्वागमानाम् ।

कान्ताख्यमेघविभवेक्षणलोलनेत्रैः ।

सन्तोषहेतुषु गुहासु गतैः स सत्त्वैः

क्रान्तो बहिश्च घनदर्शिभिरद्रिरासीत् ॥ ३ ॥

Śrī Vādirāja Mahān states here, that the animals and others who were inside the mountain as well as outside the mountain, were seeing the clouds and water from them.

सः अद्रिः = गोवर्धनपर्वतः कृपाविपुलधारे दयाख्यनिविडजलधारे लोचने यस्य श्रीकान्ताख्यमेघस्य कृष्णाख्यमेघस्य विभवेक्षणे सम्पद्दर्शिने लोलानि सन्तुष्टानि नेत्राणि येषां तैः सत्त्वैः -

The inside of the Govardhana Mountain was occupied by cows, Cowherd boys and others. Their eyes yearned for looking at the glory of the cloud called the consort of Mahālakṣmī — Śrī Kṛṣṇa. That cloud of Śrī Kṛṣṇa had His eyes filled up with abundant flow of the water of mercy.

So inside the mountain also, they saw the cloud and water from it.

Similarly, the animals and others outside the mountain also, had similar situation.

- गोगोपादिप्राणिभिः अन्तः बहिश्च घनदर्शिभिः = मेघदर्शिभिः सन्तोषहेतुषु वृष्टिभयाभावात् सन्तोषकारणीभूतासु गुहासु गतैः स्थितैः सत्त्वैः मृगादिभिः क्रान्त आसीत् ।

Outside the Govardhana Mountain was also occupied by animals and others. They were also looking at the clouds and were staying in the caves which were a source of happiness.

पर्वतान्तर्बहिस्थितानां उभयेषां धाराधरेक्षणं तुल्यं आसीत् इति भावः ।

By this, it is explained that for both who were inside and outside Govardhana Mountain, the experience of happiness was the same. Here Śrī Kṛṣṇa is compared to the cloud because of His colour and He had mercy for His devotees and His eyes were filled with such merciful tears of waters, at their sufferings.

Since cloud is common to all, in giving rain water, but the recipient is different, which depends upon the swabhāva of the entities. There is no partiality or iota of cruelty at all to Him as stated in :

ॐ वैषम्यनैर्घृण्ये न सापेक्षत्वान्तथा हि दर्शयति ॐ ॥ २-२-३५ ॥

Govardhana Mountain appeared as a temple of God, is described by Śrī Vādirāja Mahān.

कलशाः एव उपमानम् येषां तानि तैः सुवर्णशृङ्गैः द्रुमशिखरैः ।

Govardhana Mountain had its peaks of Gold like the Kalaśas kept in the temple at the top of Gopura.

कृत्रिमसन्निभैः शीतभयात् निश्चलाङ्गत्वेन कृत्रिमप्रतिमासदृशैः मृगा-

The deer and other animals which appeared to be motion-  
less or account of cold and hence they provided as pictorial ones,  
which are found in the temples.

That Govardhana Mountain was surrounded by the Groups  
of shining gateways of caves which appeared like the tower of a  
temple.

प्रासादतीव = प्रासादविशेषवद्भाति इत्यर्थः ।

For the temple, Paramātmā should be inside and here in the  
interior of Govardhana Mountain, Mahāprabhu, Śrī Kṛṣṇa was  
there.

गोपुरस्यापि सुवर्णकलशोपेतत्वात् चित्रलिखितमृगादियुक्तत्वात् चतु-

Temple had golden  
Kalaśas.

Mountain had golden  
peaks.

Temple had pictures  
painted.

Mountain had deer and other  
animals standing static like  
pictures, due to cold.

Temple and gateways  
and paths.

Mountain had caves  
and paths.

Temple had Paramātmā  
inside.

Mountain had Lord  
Śrī Kṛṣṇa, as a  
Chala Vighraha inside.

So Govardhana Mountain is like a Temple.

The main condition for a temple is that the presence of Paramātmā should be there, here actually Lord Śrī Kṛṣṇa is present in Govardhana Mountain and so it is a very sacred temple.

गोवर्धनोद्धरणस्य महत्त्वम्

बभौ समुत्तुङ्गनगं दधानः स भाविमल्लेन्द्रजयोपयोगि ।  
तदीयविद्याभ्यसनं विधातुं शिलोच्चयं बिभ्रदिवाभ्रलग्नम् ॥ ५ ॥

The description of Śrī Kṛṣṇa holding the Govardhana Mountain in His Hand is described :

समुत्तुङ्गनगम् = अत्युच्छ्रितपर्वतं दधानः स कृष्णः, भाविनि = भविष्यति, मल्लेन्द्रस्य = मल्लश्रेष्ठस्य चाणूरस्य, जये उपयोगि = उपयुक्तं, तदीयायाः मल्लेन्द्रसम्बन्धिन्याः विद्यायाः -

Śrī Kṛṣṇa held in His Hand, the Govardhana Mountain which had very high peaks and was very high. This Act of Śrī Kṛṣṇa looked as though, to be a practice for Him, for the future dual between Him and the great Cāṇūra wrestler, to happen.

- अभ्यसनम् = अभ्यासं, विधातुं = मल्लविद्याभ्यासं कर्तुं, अभ्रलग्नं = गगनचुम्बि, शिलोच्चयं = शिलासमूहं, बिभ्रदिव बभौ ।

Because, those who participate in the wrestling dual used to practise earlier by lifting great stons of large heights. Śrī Kṛṣṇa also lifted Govardhana Mountain, so that it may become useful to Him, in the future fight with the wrestler sent by Kāṁsa by name Chāṇūra.

मल्ल हि स्वविद्याभ्याससमये शिलाभारं हस्तेन उद्धृत्य, इतस्ततः  
चालयन्ति तथा इति भावः ।

Wrestlers during the period of practice lift heavy shows by their hands and shake them on either sides. Otherwise there is no use in lifting the Mountain now, as the author observes.

This is the beauty of Śrī Vādirāja Mahān. The splendid Act of Śrī Kṛṣṇa lifting the Mountain is justified in various ways for the devotees to understand. It is not as though, as a fact, that Śrī Kṛṣṇa needs any practice. Absolutely no need, but from the worldly point of view, the beauty is narrated by the author.

अन्यथा पर्वतधारणे प्रयोजनाभावात् गोपादिरक्षणस्य प्रकारान्तरेणापि सम्भवात् इति भावः ॥

By any Act, there is no use or utility for Śrī Kṛṣṇa, because He is always Full, Perfect and Independent. **But He does so, for the benefit of His devotees only.** Here by this Act of Śrī Kṛṣṇa, all the cows, cowherds and all others were protected by the floods of rain.

The meaning of the sūtra 2-1-33 :

ॐ न प्रयोजनवत्त्वात् ॐ

is exhibited in action by Śrī Kṛṣṇa.

कृष्णधृतः सुरविस्मयकारी विस्तृतपुष्करमध्यगतार्द्रः ।

सिन्धुकबन्धसमुद्धृतभास्वन्मन्दरकान्तिमचूचुरदद्रिः ॥ ६ ॥

कृष्णेन धृतः सुराणां देवानां विस्मयं = आश्चर्यं करोति इति तथोक्तः ।

The holding of Mandara Mountain by Śrī Kṛṣṇa created great delight and wonder to the devatās.

विस्तृतस्य पुष्करस्य = जलस्य मध्यं गतः ।

The mountain was merged in the rainy water that struck Gokula by the act of Devendra.

अत एव आर्द्रः = क्लिन्नः अद्रिः सिन्धोः = समुद्रस्य कबन्धात् उदकात् समुद्भूतस्य भास्वन्मन्दरस्य लसन्मन्दरपर्वतस्य कान्तिं = शोभाय अचूचुत् = चोरितवान् ।

This Govardhana Mountain which was merged in the rainy waters at Gokula stole away the beauty of Mandara Mountain which got submerged at the milky ocean when the suras and asuras started churning the milky-ocean.

मन्दरः अपि श्रीकृष्णेन = कूर्मरूपेण नारायणेन धृतः ।

That Mandara Mountain was also lifted above by Śrī Kṛṣṇa in the Avatār of Kūrma rūpi Nārāyaṇa.

By this Śrī Vādirāja Mahān brings to the Notice of devotees that Śrī Kṛṣṇa is identical with Kūrma rūpi Paramātmā who is Śrīman Nārāyaṇa.

Śrī Kṛṣṇa hereby protected and saved the cows, cowherds and other Sātwic souls.

Kūrma rūpi Paramātmā by lifting the Mandara Mountain on His back saw that the churning act was continued and thereby nectar was obtained and the devatās were benefitted.

So the main part played in the process of churning the milky ocean, is not by devatās or by asuras; **but by Paramātmā in Kūrma Rūpa only.**

There is absolutely no difference between Kūrma rūpa Bhagawān and Śrī Kṛṣṇa rūpa. Such lifting the mountain, to protect the sātivic souls is His nature.

देवस्यैष स्वभावोऽयं खलु ।

अनुचक्रेऽम्भसाश्चक्रे लसता तेन भूभृता ।

तितीर्षोर्ब्रजवर्गस्य शमितोपप्लवः प्लवः

Śrī Vādirāja Mahān here explains as to how that Govardhana Mountain which was shining in the waters at Gokula appeared.

अम्भसां = जलानां चक्रे = समूहे लसना = प्रकाशमानेन भूभृता महीधरेण तितीर्षोस्तर्तुं इच्छोः वृष्टिजन्यभयाब्धिमिति शेषः ॥

The Govardhana Mountain which shone in the expanse of that rainy waters at Gokula was like the boat which would remove the troubles of the group of Sātivic souls at Gokula.

They wished to cross the ocean of fear caused by the waters. This helped like a boat.

In the time of rains, in order to stop and withstand the rain, the house is covered by the leaves of coconut trees, like a mountain. Like that this Govardhana Mountain appeared and helped the people to protect themselves.

There is no wonder that Govardhana Mountain appeared like a boat to protect the Sātwic Jīvas. Because, it is held by Śrī Kṛṣṇa who is a Bridge or a Boat.

- (i) That Govardhana Mountain protected the birds from the rain which were in the hallows of the trees at Gokula.
- (ii) That Govardhana Mountain protected the animals in the houses of caves.
- (iii) That Govardhana Mountain protected the sages in the slopes high above the region of clouds.

Such protection done by the mountain is well within the reason and logic say Śrī Vādirāja Mahā Muni.

(By this, it is indicated that Govardhana Mountain is big and great as it was protecting birds, animals, sages etc.)

By lifting Govardhana Mountain effortlessly, Lord Śrī Kṛṣṇa, by protecting animals, birds and all jivas, shows that all jivas whether it is small or big; learned or not learned, animal or human being, whoever it may be, can live and survive by the anugraha of Śrī Kṛṣṇa and He protects all.

घनवर्षपातेन = निविडवृष्टिपातेन निपातितैः प्रसूनकोशैः = कुसुम-  
कुड्मलैः ।

Due to very heavy downpour of rain the buds of flowers were blown down and with them, the Govardhana Mountain was decorated of its body.

अद्रिः = पर्वतः, मुकुन्दस्य = श्रीकृष्णस्य, हस्ताम्बुजसङ्गेन = कर-

How this scene was looked, is described by that Great Mahān, as :

It looked that there was horripilation of joy caused by its contact with the lotus like Hand of Śrī Kṛṣṇa, who is the bestower of Moksha.

The buds of flowers were blown down and did worship and pūja of the unique pādas of Lord Śrī Kṛṣṇa, because those trees were protected. They showed their gratitude by offering flowers at His Pādas.

That Govardhana Mountain did not budge even by an inch though it was struck by the heavy down pour of rain attended with thunder.

तथाहि तद्युक्तं हि ।

Such no fear on the part of Govardhana Mountain is proper. This is because,

गोब्राह्मणरक्षकस्य श्रीकृष्णस्य दोर्दण्डेन = भुजदण्डेन धृतस्य अस्य पर्वतस्य कम्पः क गोविप्रपूजकस्य श्रीहरिभक्तस्य किमपि भयं न भवति इति भावः ।

Where is the question of fear to that Govardhana Mountain who protects cows and brāhmins. Further it is also supported by the powerful arms of Śrī Kṛṣṇa.

That mountain did not budge even a little and was totally immobile and static and steady. This is because it was held by 'Achyuta', Bhagawān Śrī Kṛṣṇa.

The groups of peaks of that Mountain were worshipped with the flowers falling down due to the down pour.

(Water was there – and so there was reflection of the mountain peaks in it. Flowers were falling in the water on the reflection of the peaks and so it appeared as though pūjā was done to the peaks.)

Śrī Kṛṣṇa was inside (who is son of Nanda) and the people thought the mountain was like a casket (contains flowers).

अम्भस्य = आकाशस्य च, प्रतिरूपं = प्रतिबिम्बं धरति इति त्रिविष्टपाम्भ-  
प्रतिरूपधारी सः पर्वतः,

That Govardhana Mountain had the reflection of heaven and sky (in the water). This reflection was on its high crystal peak.

हरेः = श्रीकृष्णस्य निदेशात् = अनुशासनात् अपराधिनोः शक्रघनयोः =

By the orders of Śrī Kṛṣṇa, this peak appeared to swallow the heaven and the sky which are the abodes of Devendra, and the clouds respectively. Because they were guilty of crime of bringing heavy down pour at Gokula.

Heaven — abode of Devendra.

Sky — abode of clouds.

Devendra brought heavy rains from the clouds.

So both Devendra and the clouds are the offenders. So there respective abodes, namely heaven and the sky, this peak of

Govardhana Mountain wanted to swallow as per the mandate of Śrī Kṛṣṇa. This means that the reflection contained that of the peaks of Govardhana Mountain, the heavens and the sky.

शिशोः करे हस्तिसहस्रमस्ति - समस्यापूर्तिः

“In the hands of the child 1000 elephants were there”

– this has to be completed by the poet of the verse.

When that Śrī Kṛṣṇa, who is the Husband of Mahālakṣmī lifted the mountain, Govardhana with His Hand, at that time bunches of elephants were traversing on that mountain here and there.

तदा समस्यां परिपूरयन्ति ।

Then at that time the poet completed the part of a verse as :

शिशोः करे हस्तिसहस्रं अस्ति ।

There are a thousand elephants in the Hand of the child”.

**Note :** कुञ्जरपुञ्जशोभं पर्यटत् । the elephants in groups were wandering; suggests the down pour of rain has decreased to a large extent and was practically nearing to a halt.

सः श्रीपतिः श्रीकृष्णः पर्यटतां कुञ्जराणां गजानां पुञ्जस्य शोभा कान्तिः यस्य तम् । अनेन वृष्ट्युपरमः सूच्यते ॥

स भासुरश्रीशकपोललग्नखोल्लसद्रत्नकराग्रसंस्थः ।

बिभर्ति कूर्माश्रितनागराजफणास्थपृथ्वीश्रियमद्रिराजः ॥ १४ ॥

मद्रिराजः पृथ्वीश्रियः = That mountain king, namely Govardhana bore the lusture of the Earth.

नागराजफणास्थ = That Earth is on the hood of the serpent king Śeṣa Bhagawan.

कूर्माश्रित बिभर्ति = That Śeṣa is fully supported by Śrī Vāyu in the form of a tortoise under the ocean waters.

स भासुरश्रीशकपोललग्नखोल्लसद्रत्नकराग्रसंस्थः = That mountain was at the edge of the Hand that has a shining gem in the form of the nail and that is in contact with the shining cheek of Śrī Kṛṣṇa.

**Note :** Śrī Vādirāja Mahāprabhu takes the devotees in ecstasy when he compares the glorious act of Śrī Kṛṣṇa holding the Govardhana mountain in His Hand near His cheek.

The comparison drawn are as under :

|                            |                |
|----------------------------|----------------|
| Śrī Kṛṣṇa's Arm was like   | — Śeṣa         |
| Śrī Kṛṣṇa's Hand was like  | — hood of Śeṣa |
| Śrī Kṛṣṇa's Cheek was like | — Tortoise.    |

The comparison is so neat and apt and brings truth of Brhadāraṇyaka Upanishad Bhāshya.

“बिभर्त्यण्डं हरिः कूर्मस्त्वण्डे चाप्युदकं महत् । उदके कूर्मरूपस्य वायुः पुच्छं समाश्रितः । वायोः पुच्छं समाश्रित्य शेषस्तु पृथिवीमिमाम् । बिभर्ति तस्यां च जगदिदं सर्वं प्रतिष्ठितम्” इति वैभवे ॥

In the water, Paramātmā resides in Kūrma Rūpa. Being supported by Him, Śrī Vāyu rests on Him, in Kūrma rūpa also. On Vāyu as the support, the King of serpents, Śeṣa rests. In his, one of the thousand hoods, the Earth is there like a small tiny atom.

Śrī Vādirāja Mahān uses the very same word “बिभर्ति” as found in the Bhāshya of Śrīmad Ācārya, so that the devotees can obtain great virtues by reading this holy work of ‘Rukmiṇīśa Vijaya’.

Śrī Vādirāja Mahān describes the wealth and splendour of Govardhana Mountain.

(१) अद्रिः = पर्वतः इन्द्रनीलधरिणीकान्त्या तं घनं शिखण्डश्रिया = पिच्छकान्त्या ।

The Govardhana Mountain totally conquered the cloud – namely the blue colour of the cloud by its blue parts of earth yielding the blue gems.

(२) तस्य मेघस्याखण्डलचापम् इन्द्रचापम् ।

There was rainbow of the cloud. For Govardhana also the lustre of the eyes in the plumages of the peacocks served as rainbow.

The particles of water by the cloud was like the lustre of pearls.

The lightning of the cloud was like the places yielding gold.

सिंहस्य नादं मेघस्य ध्वनिं च साधु सम्यक् जिगाय अजयत् ।

The sound of the thunder was lesser than that of the lions on the Govardhana Mountain.

What cannot be achieved by those who are patient and by mountains bearing the Earth ? (They would be able to achieve all, is the inner tone).

**निर्गत्य पश्यताटोपः किमद्याप्यस्ति वार्मुचाम् ।**

**॥ १७ ॥**

हे गोपाः वार्मुचां जलदानां आटोपः आडम्बरः अद्यापि अधुनाऽपि  
अस्ति किं ?

Śrī Kṛṣṇa calls, Oh herdsmen ! Is there even now the  
swelling or arrogance of the clouds ?

निर्गत्य बहिः गत्वा पश्यत इति कृष्णेन उक्तः ।

Go and see outside. Like this, was told by Śrī Kṛṣṇa.

कोपि कश्चन गोपः तद्विदित्वा बहिर्गत्य तत् मेघवृत्तान्तं ज्ञात्वा पुनः  
आगत्य माधवं श्रीकृष्णं वक्ति वदति ।

Following the mandate of Lord Śrī Kṛṣṇa, a herdsman went out and having learnt about the position of clouds, came back to Śrī Kṛṣṇa, who is the Husband of Mahālakṣmī and submitted thus.

**Note : माधवम्—** Śrī Vādirāja Mahān uses this word particularly here, for Śrī Kṛṣṇa, because of the following reasons :

**मायाः धवः =** Śrī Kṛṣṇa is the consort and Master of Mahālakṣmī. This Mahālakṣmī is the daughter of Samudrarāja and the ocean is under Her control. The rain and clouds have been produced by sea water only. When that Mahālakṣmī Herself is under the control of the Lord should it be told that the clouds, rains etc. are under His command and control. They go without saying कैमुत्यन्यायेन सिद्धः - to explain this माधवः is used by the great author.

Further, the rain downpour is caused now by Devendra, out of arrogance and Kali aveśa. The same Devendra has praised Mahālakṣmī at the time of churning the milky ocean in Viṣṇu Purāṇa is seen thus :

वैष्णवे—

“नित्यैव एषा जगन्माता विष्णोः श्री अनपायिनी । यथा सर्वगतो विष्णुः तथैवेयं द्विजोत्तम !” इति उपक्रमस्य अमृतमन्थने इन्द्रस्तवादिः विस्तीर्णः ।

The same Indra has now brought this heavy down pour now here to give hindrance and troubles to Gopikā women, cow and gopālakas. The same Devendra has worshipped Mahālakṣmī as above earlier and Mahālakṣmī मा is under Śrī Kṛṣṇa's control.

So now Devendra has done this bad act not out of his swarūpa, but only due to evil influence and this is indicated by addressing Śrī Kṛṣṇa as 'Mādhava' here by this Mahān Śrī Vādirāja.

मम माया दुरत्यया ॥ (गीता- ७-१४)

When Devendra came to have Darśan of Lord Śrī Kṛṣṇa, repenting for his mistakes committed, Śrī Kṛṣṇa who was holding Govardhana by His Holy Hand, left the same and came forward to receive the guest. The mountain did not fall, even when the support was removed. How ? This is because of the fact in 1-3-11 :

ॐ सा च प्रशासनात् ॐ

सा च धृतिः प्रशासनात् उच्यते ।

Mere order will do, the mountain will stand in the air as it is. There is no need of physical contact needed in His case. His Desire is paramount. “ईश्वरेच्छा बलीयसी”.

अथो गिर्युदरान्निर्गमनानन्तरं नाथस्य स्वामिनः कृष्णस्य अपराधं करोति इति स तथोक्तः । अत एव सुलज्जितः शक्रः त्रयाणां लोकानां समाहारः त्रिलोकी । तस्यां रम्यतममतिसुन्दरं सदयं दयासहितं अच्युतं श्रीकृष्णं रहसि एकान्ते उपेत्य स्वकृताघशान्त्यै स्वाचरितस्वामिद्रोहलक्षणपापपरिहाराय मूर्ध्ना प्रणम्य गोविन्दनाम च पठन् ।

After the entry of Śrī Kṛṣṇa into Gokula, Devendra who had sinned against his Master was therefore felt very much ashamed. So Devendra approached Lord Śrī Kṛṣṇa in private. Śrī Kṛṣṇa was merciful and the most beautiful in all the three worlds. Devendra bowed to Him with his head and chanted His name 'Govinda'.

इन्द्रेण गोविन्दनाम न दत्तं, किन्तु अच्युत अनन्त गोविन्द इति नामत्रय-पाठस्य प्रायश्चित्तविधिषु विहितत्वात् पूर्वं विद्यमानस्यैव गोविन्दनामः पाठ एव कृतः इति भावः ।

It is not as though by Indra, the name Govinda was given to Śrī Kṛṣṇa. But that name was already available to Śrī Kṛṣṇa, but as a sort of prāyaścitta to wash off his sins, Indra recited the glorious name 'Govinda'.

अनेन कृष्णस्य गोविन्दनामेन्द्रेण दत्तमिति पुराणवचनस्य (भागवतम् १०-२७-२३) तात्पर्यमुक्तं भवति ।

By this, it is indicated that namaskārams, Abhiṣeka and reciting His names, are the ways to liquidate the sins committed towards Him.

Once the servant of the Lord of the ocean – Varuṇa bound Nandagopa who had entered in the middle of water for bathing at an untimely hour on Dwādaśī day and that servant carried Nandagopa to the world of Varuṇa.

किल = by this śabda, the author indicates that the story has been found in Purāṇas also.

स वरुणः स्वनाथस्य स्वस्वामिनः कृष्णस्य पितरं श्रुत्वा समन्युः

Śrī Vādirāja Mahān guesses (surmises) as to why that Nandagopa was tied by the servant of Varuṇa ? He states that

Varuṇa got angry with Nandagopa, when he called himself as father, of Śrī Kṛṣṇa, and Śrī Kṛṣṇa being the Master of Varuṇa. By such adherence of Nandagopa, Varuṇa was upset and became angry and got Nandagopa bound through his servant like this.

**Note :** Śrī Vādirāja Mahān brings to the Notice of the devotees in various ways at different situations, that there is no father of Śrī Kṛṣṇa and as a matter of fact He is the Father of the entire world. He reminds to us the two ślokas in Gitā where it was clearly stated that Śrī Kṛṣṇa is the father of all.

There Śrī Kṛṣṇa was worshipped by Varuṇa in various ways and having accepted them. Śrī Kṛṣṇa returned back to Gokula with Nandagopa (after having rescued him from the bondage of Varuṇa).

**Note 1 :** दृढभक्तिमिव प्रतुष्टः— Śrī Vādirāja Mahān brings to the Notice that Varuṇa was a great devotee of the Lord. He brings to our notice the sūtra : 4-4-2 :

ॐ लिङ्गाच्च ॐ ॥

And on account of the indicatory circumstance. (That the repetition of hearing etc. study etc. should be made; for the precepts are given more than once).

स तपोऽतप्यत ..... पुनरेव बरुणं पितरं उपससार (तै. ३.१.२)  
इत्यादि आवर्तनलिङ्गाच्च ॥

For the following and the like passages also indicate the necessity for repeated meditation etc. He (Bhrgu) performed the meditation and again approached his father Varuṇa and so on.

So by this, it can be seen that Varuṇa was always meditating and teaching of the glories of Paramātmā to his son and disciples.

The way in which Varuṇa praised Paramātmā, in His Avatār as Rāma can be seen in Tātparya Nirṇaya.

Oh ! You Lord Rāma ! You are the primeval cause for all and you are always unaffected by anything. We are of dense intelligence and we cannot understand you fully. Oh ! Lord You are the Supreme Lord of the Universe. You created the groups of devas through Satwa, the human beings through Rajas, and the herds of demons through the third quality – tamas. Such creation proceeds in all ages. Śrī Kṛṣṇa was pleased and rewarded Varuṇa now.

इदानीं कतिपयपद्यैः सूर्यास्तमयं वर्णयन्ति ।

Now Śrī Vādirāja Mahān by few ślokaś describes the beauty of SUN set.

वातायने वातमार्गे गगने गगनाख्ये भाजने पात्रे आकाशमूषाया-

The imagination and description of Śrī Vādirāja Mahān is very great.

He has stated here that the rising entered the western ocean. This is described as a piece of gold put into the water after melting in the process of being made into an ear-ring. For whom ? For the lady of the Eastern quarters connected with Indra. The sky and other things are the accessories.

Sūrya was holding by his hands represented by his rays both Udayācala and Astācala, both sides. Even though he was holding like that, still he fell into the ocean.

This act appears to me like this, so says the great Mahā-  
prabhu Śrī Vādirāja.

Ocean though that his wives, namely the river, would be made dry by this SUN, so the ocean made the SUN to sink in water.

This shows the splendid and cultured way of description of the SUN-set which in turn brings several points of śāstras to light. (Namely Rivers are the wives, and sea, ocean or Samudra is the husband).

Now, the Mahān questions, as to where is the question of fall for Sūrya into the ocean. The same SUN set is narrated as under :

- (i) The SUN gradually gave up his red colour (passions) which were with him at his rise. Even an ascetic does not give up his inborn desires and passions.
- (ii) The hands of Sūrya, namely his rays were esteemed by the Cakravāka birds and lotuses. The rays of the SUN spread upwards.

Likewise the hands of the ascetic were marked with love by the mudras of discus and conch. Further the feet of the ascetic go upwards during penance with head downwards.

- (iii) The SUN resting on the sky scorched severely like the ascetic does with severe penance resting on the padas of Lord Śrī Viṣṇu.
- (iv) Finally the SUN reached the abode of Śrī Viṣṇu – viz. The oceans. So where is the fall to him.

Here, Śrī Vādirāja Mahān justifies for the SUN to fall in the ocean.

This is because :

- (i) The SUN scorched the group of ascetics on the earth.
- (ii) The SUN took away the life of a woman – viz. The earth, with his own hands – rays – that is dried up the waters on the Earth.
- (iii) Similarly robbed the wealth lusture of the constellation of stars.

The eastern sky which is called as 'Prācī', when her husband Sūrya, went outside for taking bath, this moon with all happiness to her – to the eastern direction and caught hold of her clothes by his hands.

By this, he became confused and so the moon was called from that day as 'Śaśāṅka'. This is my logic and opinion.

दिवाकरे = सूर्ये अन्यदेशं = देशान्तरं गते सति, चन्द्रः मन्दं शनैः  
उपेत्य । अनेन चौर्येण गमनं द्योत्यते ।

By this process, the coming indicates something to steal away.

**Note :** The idea that Śrī Vādirāja Mahān brings to the notice of the devotees through the stories of Gopikā women are :

- (i) The best ornament or decorative article for the eyes is not the collyrium but only having darśan of Lord Śrī Kṛṣṇa. That is the best decoration to the eyes.
- (ii) The ornaments that are worn on the hands as bangles, bracelets, rings and other items are not the real decorative ornaments, but only the pāda-seva submitted at His lotus Pādas by the hands, are the real ornaments for the hands.

श्रीकृष्णगोपीसत्तापः

Romance between Gopikās and Śrī Kṛṣṇa.

आनन्दपूर्णतां कृष्णः स्वानां सन्दर्शयन्विभुः ।

आनता अपि ताः प्रीता मानिनीरित्यचीकथत् ॥ ५४ ॥

विभुः = श्रीकृष्णः स्वस्य आनन्दपूर्णताम् आनन्देन पूर्णभावं स्वानां स्वकीयानां सन्दर्शयन् अपि नम्रीभूता अपि प्रीताः आत्मानं दृष्ट्वा सन्तुष्टाः ताः मानिनीः गोपीः इति वक्ष्यमाणप्रकारेण अचीकथत् अकथयत् ।

Śrī Kṛṣṇa who is an ocean of Ānanda – bliss showed His plentitude of bliss to His Gopikās.

Śrī Kṛṣṇa was most clever called them, though they were bit haughty (of His company), but obedient and were always pleased to serve Him. Then Śrī Kṛṣṇa said :

हे गोप्यः पिता = जनकः भर्ता = पतिः जननी = माता च ता आदिः यस्य बन्धुजनस्य तस्य परिचर्या सेवा यतः करणात् अर्थदा पुरुषार्थदात्री, अतः करणात् ब्रजं गोष्ठमेव ब्रजत = गच्छत ।

“Since the service done to the father, mother, husband and others yields all the four objects of human life – namely Dharma, Artha, Kāma and Moksha.

So go back to Gokula itself and do good to those who are missing you and are thinking of you and your services are required to them”.

**Note :** By this verse, Śrī Vādirāja Mahān brings to the notice of Devotees several important issues :

- (a) Service to father, mother, husband and other elderly relations by the woman or the man, as the case, may be, is a service to God.
- (b) If they are neglected and approach is made towards God, it would be futile.
- (c) The presence of God in them to be seen and service to be done as a pūjā to the Lord.
- (d) Father, Mother, Husband, Wife, Children, relatives etc. will have a meaning only, when they connected to God — Śrī Kṛṣṇa; for otherwise mere worldly life with temporary comforts and for which great toil undertaken, has no sense at all.

Śrīmad Ācārya states in his Anuvyākhyāna verse 46 under the first sūtra ॐ अथातो ब्रह्मजिज्ञासा ॐ :

“प्राणबुद्धिमतः स्वात्मदेहापत्यधनादयः ।

यत्संपर्कात् प्रिया आसंस्ततः कोऽन्वपरः प्रियः ॥

प्राणः = शारीरो वायुः = the breaths,

बुद्धिर्मनश्च = अन्तकरणवृत्ति = the activities in depth of the heart and mind,

खानि = इतर इन्द्रियाणि = other Indriyas,

आत्मा = जीवः = Jīva

देहापत्यधनादयः = शरीरसुतधनादयः = body, son, wealth etc.

यत्संपर्कात् = यस्य भगवतः संबन्धात्

प्रियाः आसन् = प्रीतिविषयाः अभवन् = they all became loveable objects and covetable objects.

ततः = भगवतः अपरः प्रियः कः नुः प्रियः भवेत् ॥

Therefore who else, other than Bhagawān Śrī Kṛṣṇa is more loveable, covetable, desirable, reliable ? None other than is the answer.

Śrī Vādirāja Mahān only echoes these ideas of Śrīmad Ācārya, in the advice by Śrī Kṛṣṇa to the Gopikā Women.

The same verse has another reading also :

प्राणबुद्धिमनःखात्मदेहापत्यधनादयः ।

यत्प्रसादादिमे सन्ति न सन्ति यदुपेक्षया ॥

Prāṇa etc. all stated above exist only due to the grace of Śrī Bhagawān.

यत् उपेक्षया न सन्ति ।

They will not exist at all in case they are even slightly neglected by God.

By all these sentences, Paramātmā is alone most covetable.

मुख्य इष्टवत्त्वं परमात्मनि तव ।

हे ईश स्वामिन्, अंग प्रिय श्रीकृष्ण यद्यस्माभिः तेषां पित्रादीनां हितमेव कार्यं तदा तर्हि अस्मान् गन्तुं वज्रं प्रति गन्तुं न आज्ञापय न कुरु ।

Oh ! Lord, dear one ! If good alone is to be done to the parents, do not order us to go to Gokula.

अस्मान् गन्तुम् आज्ञापयसि चेत्, तेषां हितं न भविष्यति प्रत्युत अनर्थ एव भविष्यति इति आहुः ।

Please don't order us to proceed to Gokula. If you order us so, then only inauspicious things would happen, Nothing beneficial would happen.

वियोगदग्धैरिति— वियोगेन विरहाग्निना दग्धैः भस्मीकृतैः न अस्माकं शरीरैः तां महीं गोष्ठभूमिं प्रेतमहीं श्मशानभूमिं न विधेहि न कुरु ।

By your separation, we would be burnt by that fire. Then this Earth – Gokula would be reduced to a burial ground with heaps of our bodies burnt by that separation fire and would be reduced ashes because of that.

**Note :** Śrī Vādirāja Mahān expresses that the Gopikā women cannot survive by the separation of Śrī Kṛṣṇa. Further they may not wish to live. They indicate that they would commit suicide by falling in the fire. Such was the depth of love and bhakti of the Gopikā women towards Śrī Kṛṣṇa.

श्रीकृष्णगोपीसल्लापः

Romance between Gopikās and Śrī Kṛṣṇa.

पत्यादिसेवाऽपि भवत्प्रसाद-

प्राप्त्यर्थमेवेति वदन्ति सन्तः ।

त्वत्पादमूलं विधिनोपनीताः

कस्मान्मुधाऽऽज्ञापयसीश गन्तुम् ॥५७॥

हे ईश कृष्ण, सन्तः = बुधाः पत्यादिसेवापि पतिपित्रादिपरिचर्याऽपि भवत्प्रसादस्य पादमूलप्राप्तिलक्षणमोक्षसाधनस्य प्राप्त्यर्थमेव सिद्धयर्थमेव कर्तव्या इति वदन्ति ।

Oh ! Lord, the people of learning say that even the service done to the husbands and others, is only for the obtainment of your Grace of reaching your Pādas.

अधुना त्वपादमूलं भवच्चरणतलं विधिना भागधेयेन । उपनीताः = प्रापिताः अस्मान् कस्मात् कारणात् गन्तुं मुधा वृथा आज्ञापयासि । निष्पन्न-फलं प्रति परंपरासाधनविध्यनुशासनस्य व्यर्थत्वात् इति भावः ।

This is the means for obtaining Moksha. This reaching the lotus Pādas of Śrī Kṛṣṇa has been obtained now by luck or otherwise. Why then do you order us in vain to go ?

The Gopika women put a subtle question that sevā to husband etc. are only to get the grace of Paramātmā. This grace of Paramātmā can be attained by reaching His lotus Pādas. So, when the gopis are to His lotus Pādas, why then order them to go backwards, is the question.

Oh ! Śrī Kṛṣṇa, You are the Master of all of us. We have travelled in many, many births in the past. There were many many fathers, mothers, husbands in the past.

We do not know as to how many times in the past we had become mothers, fathers, husbands in many many births.

हे सखे श्रीकृष्ण, जगत्पिता विश्वजनकस्त्वम् आसां जगदन्तर्गतानां गोपीनां नः पिता न किम् ?

Oh ! Friend Śrī Kṛṣṇa,

जगतः विश्वस्य प्रसूतिः अव्यवधानेनोत्पत्तिः यस्मात् सः तथा त्वं न जननी माता न किम् ?

Are you, Śrī Kṛṣṇa, the creator of the world, independently without any one's aid, not our mother ?

Are you, the Lord of the world, not our Lord or husband ? Therefore enough of the service of others which rains ills on us.

Gopikās conclude, Śrī Kṛṣṇa, by leaving you, amounts to leaving father, mother, husband and all. Since they submitted that Śrī Kṛṣṇa is the Father of all, Mother of all, and Husband of all.

श्रीकृष्णगोपीसहस्रापः

Romance between Gopikās and Śrī Kṛṣṇa.

कान्तः स एव यः स्थैर्यशौर्यसौन्दर्यसागरः ।

सुखस्यान्तकरं कान्तमपरं तर्कयामहे ॥ ६० ॥

यः पुमान् स्थैर्यमचाञ्चल्यं शौर्यं पराक्रमः सौन्दर्यं लावण्यमेतैः सागर इव स्थैर्यादिगुणभरित इत्यर्थः । स एव कान्तः प्रियो भवेत् ।

He who is the ocean of stability, valour, beauty and other auspicious factors in him, is dear (Kāntam) to us.

अपरं अन्यं कान्तं सुखस्यान्तकरं तर्कयामहे तर्कयामः । कं सुखं  
तस्यान्तो नाशो यस्मादिति व्युत्पत्तेरिति भावः ।

We look upon any other also as Kāntam, that is destroyer of our happiness. कं सुखं = happiness, anta, destruction.

So Gopis correctly come to the conclusion that Śrī Kṛṣṇa is the Person, who has all such auspicious and covetable qualities in an unlimited way. Others are only destroyers of happiness.

श्रीकृष्णगोपीसङ्गापः

Romance between Gopikās and Śrī Kṛṣṇa.

यः सारभागमनुभूय शरीरभाजां

शिष्टं प्रयच्छसि किलारसमल्पभोग्यम् ।

दुःखातिदूर गतपार सुखैकभोक्तु-

स्तस्येश योग्यमखिलं तव तर्कयामः ॥ ६१ ॥

परदारगमनं निषिद्धं कथं कर्तुं शक्यते इति आशङ्क्य अयं निषेधो  
लौकिकानां न तु अलौकिकस्य तवेत्याहुः 'यः' इति ।

Touching another man's wife is prohibited and to be censured. Then whether Śrī Kṛṣṇa is justified in enjoying with the gopis ? Like that Śrī Kṛṣṇa may have a doubt in this mind. To remove the same, the present śloka states that such injunctions and prohibitions are applicable to others and worldly human beings. But in the case of Śrī Kṛṣṇa, it does not apply at all. Having this opinion in mind, the gopikās do prayers before Lord Śrī Kṛṣṇa.

In the sūtra 2-3-33. ॐ कर्ता शास्त्रार्थवत्त्वात् ॐ it is established that Paramātmā is far far above all these injunctions and prohibitions stated in the Vedas. In His case, all are good and He does only for the benefit of Sātwic souls.

हे ईश यस्त्वं सारभागं शरीरीभिरनुभूयमानं विषयसारांशमनुभूय भुक्त्वा, “शुभं पिबत्यसौ नित्यं न अशुभं पिबेत् सदा” इति पाहि इति १-२-११ ॐ गुहां प्रतिष्ठावात्मानौ हि तदर्शनात् ॐ इत्यत्र प्रतिपादितम् ।

Oh ! Lord, You enjoy all the auspicious essence and then give to the jīvas as per their Yogyatā. You never can take inauspicious items. This is stated in Padma Purāṇa authority in Guhādhikaraṇam. Having this aspect in mind, the Gopikās do prayers before Śrī Kṛṣṇa.

यत्सुखं तस्य एकभोक्तुर्मुख्यभोक्तुः तस्य तव अखिलं वस्तु भोगार्थं तर्कयामः ।

All the auspicious things are first and mainly enjoyed by Him only. Hence logically enjoying with them and giving happiness to them, is not prohibited in the case of Śrī Kṛṣṇa.

अखिलसारभोक्तृत्वात्पतिभिः अस्माभिः सह क्रियमाणंभोगस्यापि मुख्यतः त्वमेव भोक्तेति । वयमपि तवैव भोग्या इत्यस्मन्निषेधस्तव न युक्तः इति भावः ।

Since Paramātmā is the consumer and enjoyer of all happiness, whatever the gopikās enjoy with their husbands, that happiness also, is mainly taken and enjoyed by Śrī Kṛṣṇa only. Hence Gopikās are also only subject matter of enjoyment by Śrī Kṛṣṇa, and there is no bar to it.

हे श्रुतिसङ्गताक्ष्यः श्रुतिभिः वेदैः सङ्गतानि सम्बद्धानि अक्षीणि यासां

Śrī Kṛṣṇa states : Oh beautiful women. You all have eyes  
broad reaching up to ears. Your behaviour now is not dhārmic.

अयं परपुरुषपरिग्रहः वो युष्माकं धर्मो न भवति ।

When Śrī Kṛṣṇa said like this, the gopikā women reply by  
the śabdas.

Oh Śrī Kṛṣṇa, You are the subject matter of Jñānam which  
has the origin in Vedas.

हे श्रुतिसङ्गताक्ष कर्णान्तायतलोचन श्रीकृष्ण अयं गोपीनां प्रेमोद्रेको-

Śrī Kṛṣṇa states leaving your husband, do not serve another  
person.

रमणं स्वपतिं विहाय अन्यं मा भजध्वम् इदं तु बाह्यम् ।

Gopikā women state leaving husband, we submit sevā to  
you who is really pūjya by all the world.

हे कृष्ण रमणं पति विहाय, मान्यं = पूज्यं त्वामेव भजामः ।

Śrī Kṛṣṇa tells : मा अन्यं इति ।

Gopikās states : मान्यं इति ।

Romance between Gopikās and Śrī Kṛṣṇa.

यतो ह्यधर्मे मतिरस्ति निश्चला ।

हिताहितज्ञा वयमच्युत प्रभो

॥ ६३ ॥

Oh Women; alas, you do not know what is beneficial and what is not beneficial. So, you have a firm mind in Śrī Viṣṇu's dharma.

हे अङ्गनाः गोप्यः यूयं हितमिष्टं अहितमनिष्टञ्च न जानन्तीति हिता-

In Bhāgavatam, under 10-1-23 it is stated :

“जनिष्यते तत्प्रियार्थं संभवन्तु सुरस्त्रिय” इति भागवतवचनम् ।  
हे अच्युत प्रभो श्रीकृष्ण, वयं हिताहिताः यतः अधर्मे निश्चला मतिरस्ति ।

Oh ! Imperishable Lord, since we have a strong mind in Śrī Viṣṇu's dharma, we know what is beneficial and what is not so beneficial.

Calling Śrī Achyuta is a beauty and it means He is a steady person and His anugraha, Gopikās also state that they have steady mind – निश्चला भक्तिः ।

श्रीकृष्णतिरोधानम्

Disappearance of Śrī Kṛṣṇa.

वाग्वैखरीमिव निरीक्ष्य स बल्लवीनां

सुप्तं प्रबोध्य मदनं समभूददृश्यः

सः कृष्णः वाग्वैखरीं परवचनेनैव परस्योत्तररूपां वाक्यप्रौढिं निरीक्ष्येव प्रीतः सन्तुष्टः सन्,

Śrī Kṛṣṇa having heard the maturity of the speech of Gopikās, was pleased very much.

प्रियोक्तिपरिरम्भणचुम्बनाद्यैः प्रियवचनलिङ्गनचुम्बनादिभिः सुप्तमनाविर्भूतं मदनं कामं प्रबोध्य आविर्भूतं कृत्वा, त्वां स्वकीयां कामिविदूरतां कामिजनाप्राप्यतां सत्याम् अबाध्यां विधातुं कर्तुमिव बल्लवीनां गोपीनाम् अदृश्यः समभूत् अन्तर्दधे ।

Then Śrī Kṛṣṇa was pleased and made sleeping passion in them to arouse higher by means of His pleasant words, embraces and kisses and others. Śrī Kṛṣṇa then disappeared from the gopikās.

Śrī Kṛṣṇa did so, to establish,

शान्तावस्थायां ताभिः सह संभाषणं कृत्वा तासां कामितायां सत्याम् अदृश्यत्वे स्वस्य कामिविदूरत्वं स्पष्टं भवति इति भावः । अत एव सुप्तं प्रबोध्येत्युक्तम् ।

Śrī Kṛṣṇa calmly had conversations with them. When they were with passion, He disappeared from the scene to establish the truth He is not at all affected even by an iota of extent by

**passion or others.** He is far above all. Even for Mahālakṣmī, He is Not the bestower of happiness, but only receiver of happiness for Her. Then what about others ?

Those beautiful gopikā women were completely perplexed and with their minds free from their attachments to their husbands, children and houses, came out. They all wondered in the forest in search of Lord Śrī Kṛṣṇa. They wished that white Lotus eyed Lord Śrī Kṛṣṇa.

These gopikā women are compared to the best of sages with similar attainments seeking Paramātmā in the Upanishads.

पत्यपत्यभवनेषु विरक्तचित्तः वैराग्यरूपप्रथमसाधनवान् श्रीपुण्डरीक-  
नयनेक्षणकार्यसक्तः अपरोक्षज्ञानार्थित्यर्थः । मुनिवर्गः आरण्यकेषु उपनिषत्सु

The beauty of the poem can be appreciated by the śabdas  
आरण्यकेषु मुनिवर्गाः इव आरण्यकंषु गोपिकाः ।

Only persons with attention and devotion and clear understand will be able to appreciate the mahimās of Him in Upanishads. Otherwise, their search, without guru-upadeśa will lead to

disasters like understanding 'Tatwamasi' as identity between Īśwara and Jīva.

श्रीपुण्डरीकाक्षस्य = श्रीकृष्णस्य ईक्षणमेव दर्शनमेव कार्यं कर्तव्यं तत्र सक्ता आसक्ता अतिमुग्धाः अतिमनोज्ञाः ।

These Gopikā women due to the separation of Śrī Kṛṣṇa, they totally lost their balance of mind. They failed to understand as to what is right or wrong and the capacity of such analysis was lost.

Because of their minds concentrated in one way on Śrī Kṛṣṇa, they were bit peace in their minds. Then they started singing about the glories and mahimās of Śrī Kṛṣṇa, in order to make Him bound to them.

इव इत्यनेन योगिभिरपि ध्येयस्यास्य वशीकरणं दुःसहमिति द्योतयति ।

By śabda 'Iva' it is shown that even great yogis, tapasvis will find too difficult to capture Him.

मधुरवचनदक्षाः मधुरोक्तौ समर्थाः सत्यः परोक्षं अदृश्यं श्रीकृष्णं जगुः गानं चक्रुः ।

Gopikā women who were very efficient in their sweet, voice, then started singing about Śrī Kṛṣṇa who was not present there.
